

Building a Complete Community: Part 1

Add your thoughts below each question!

What works well today in the Centre? What doesn't work well today in the Centre? What would you like to see improve or change in the future? What concerns you most when you think about the Centre's future?

Land Use
Consider the mix of uses in the Centre, such as housing, office, retail, institutional, cultural, and services.

--	--	--	--

Built Form
Consider building design, types, heights, and how they fit into their surrounding contexts - both within and outside the current Secondary Plan Boundary.

--	--	--	--

Housing
Consider a range of housing types, including market and affordable housing, and ownership and rental housing.

--	--	--	--

Building a Complete Community: Part 2

Add your thoughts below each question!

What works well today in the Centre? What doesn't work well today in the Centre? What would you like to see improve or change in the future? What concerns you most when you think about the Centre's future?

Inclusive Economic Development
Consider the types of jobs and other non-residential uses located in the Centre.

Climate Change Mitigation & Resilience
Consider the impacts of climate change (such as heat and severe weather) and how they can be mitigated.

Heritage
Consider special buildings, areas, or features that you think should be preserved into the future.

Parks and Environment

Add your thoughts below each question!

What works well today in the Centre? What doesn't work well today in the Centre? What would you like to see improve or change in the future? What concerns you most when you think about the Centre's future?

Parks & Open Space
Consider how you access and use parks, including smaller parkettes, larger parks, and urban parks and squares.

--	--	--	--	--

Environment
Consider the environmental and ecological function of parks open spaces, and natural areas.

--	--	--	--	--

Tree Canopy
Consider how many trees are in your community and where they are located.

--	--	--	--	--

Mobility and Public Realm

Add your thoughts below each question!

What works well today in the Centre?
What doesn't work well today in the Centre?
What would you like to see improve or change in the future?
What concerns you most when you think about the Centre's future?

Mobility Network
Consider how you walk, roll, cycle, ride transit, or drive in the Centre.

Public Realm
The public realm includes spaces the public has access to, such as streets, lanes, sidewalks, boulevards, and public squares.
Consider the quality and quantity of publicly accessible spaces and their connections to each other.

Community Services and Facilities

Add your thoughts below each question!

What works well today in the Centre? What doesn't work well today in the Centre? What would you like to see improve or change in the future? What concerns you most when you think about the Centre's future?

Recreation Facilities & Libraries
Consider the recreation and library facilities you use most often or would use if they were available.

--	--	--	--	--

Schools & Child Care
Consider the availability and quality of child care centres and schools in the community.

--	--	--	--	--

Human Services
Consider the services available in the community for youth, families, seniors, newcomers, people with disabilities, as well as those service focused on food security, legal aid, and/or employment
