## TEMPORARY ROAD CLOSURE: Almore Avenue between Kainona Avenue and Lowesmoor Avenue

**Contract: 21ECS-LU-10FP**

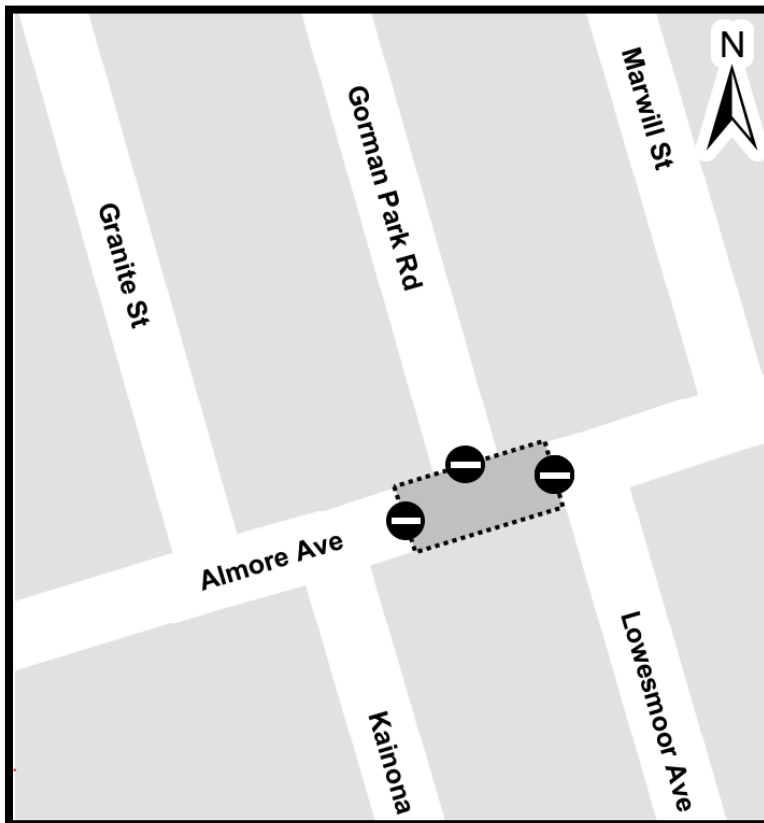

**Expected Start Date: Monday, January 29, 2024**

**Expected End Date: Tuesday, January 30, 2024**

*Timeline is subject to change.*

The City of Toronto is modifying and upgrading the storm and sanitary sewer system in your area to reduce surface and basement flooding. Due to the nature of the sanitary sewer construction work, access to Almore Avenue between Kainona Avenue and Lowesmoor Avenue will be closed. This temporary road closure will occur for two (2) days on January 29, 2024, and January 30, 2024. This project is part of the Council-approved 2023 Basement Flooding Protection Program to improve the water distribution system, renew our aging infrastructure and reduce the risk of sewer collapse or blockages that cause sewer backups and flooding.

### MAP OF WORK AREA

## WORK DETAILS

For this project, the contractor will be:

- modifying and upgrading the storm and sanitary sewer system in your area to reduce surface and basement flooding.
- replacing the city-owned portion of substandard water services and sanitary sewer laterals.

## WHAT TO EXPECT DURING CONSTRUCTION

- The community will experience dust, noise and traffic delays.
- The city will make efforts to reduce impacts. Your patience is appreciated.

	<p><b>Traffic Management:</b> Road users should expect delays and increased traffic on nearby main and side streets. Motorists are reminded that bicycles and cars will be sharing the lane. When driving, please be mindful of vulnerable road users. Efforts have been made to manage traffic in the area for the safety of workers, road users and residents.</p>
	<p><b>Physical Distancing:</b> There are times when contractors need to communicate with homeowners about what is happening on-site. Contractor's staff will be identifiable by their high-visibility clothing and will maintain physical distancing.</p>
	<p><b>Pedestrians:</b> The work may require temporary sidewalk restrictions. If pedestrians do not have any access to the existing sidewalk, the sidewalk will be detoured to an area adjacent to the work zone with protected barricades or will be detoured to the nearest controlled intersection to cross according to the traffic control set up.</p>
	<p><b>Work Hours:</b> Work will take place from 7 a.m. to 5:30 p.m., on Monday, January 29, 2024, and Tuesday, January 30, 2024.</p>
	<p><b>Accessible Accommodation:</b> The City's contractor must ensure safe and accessible walkways and entryways are maintained for everyone during construction. Any temporary access disruptions will be communicated as soon as possible. If you experience a disruption, have a specific access need or related accommodation request, inform the Field Ambassador listed below.</p>

**NEED MORE INFORMATION?**

If you have questions about this construction project, please contact staff listed below. If you need to speak with staff on the construction site – please ask for the site inspector, respect physical distancing, and wear a mask.
