The City of Toronto is planning to resurface Sheppard Avenue East from Markham Road to Neilson Road and on Neilson Road from Tapscott Road to the bridge located south of Crow Trail. Our inspection of the road shows that it needs repaving, and sections of damaged curb and sidewalk need to be replaced to bring them to a state of good repair.

This project is part of the Council-approved 2022 Capital Works Program to renew aging City roads and sidewalk for current and future needs.
