Major Road Resurfacing, Intersection Improvements on Steeles Avenue East from Bayview Avenue West to east of Townsend Road

Contract: 22ECS-TI-08MR

Start Date: October 10, 2023, End Date: October 2024

NEW Start Date: April 2024, NEW End Date: November 2024

**Timeline is subject to change.*

This notice provides an update on the road resurfacing and intersection improvements taking places on Steeles Avenue East.

Due to unanticipated locate issues at the construction site, progress of the work has been delayed. However, work is scheduled to resume in April 2024.

Please retain this notice until the end of the project for important information about road closures, access to roads, sidewalks, street parking, and other short-term disruptions. We appreciate your patience while we work to improve important City infrastructure.

MAP OF WORK AREA

Construction will take place in multiple phases between April 2024 and November 2024

- Phase 1 – April to July 2024: Steeles Avenue East from west of Bayview Avenue to Leslie Street
- Phase 2 - June to November 2024: Steeles Avenue east from Leslie Street - to 200m east of Townsend Road

REMAINING WORK

The City's contractor will

- Dig up the road surface
- Re-align maintenance holes and catch basins
- Repair curbs and gutters
- Install new sidewalks
- TTC Work
- Deliver intersection improvements
- Repave the road surface

TRAFFIC MANAGEMENT

Road users should expect delays and increased traffic on nearby main and side streets. Motorists are reminded that bicycles and cars will be sharing the lane. When driving, please be mindful of vulnerable road users.

Efforts have been made to manage traffic in the area for the safety of workers, road users and residents.

Traffic on Steeles Ave will be reduced to one lane in each direction.

WHAT TO EXPECT DURING CONSTRUCTION

- You may experience dust, noise and other inconveniences. The City will make efforts to reduce the impacts. We appreciate your patience.
- The City will not be responsible for damage to any privately owned items on City property.

|-------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
|  | <p>Work Hours: Work will take place from 7 a.m. to 7 p.m., Monday to Friday, with work after hours and on weekends as required.</p> |
|  | <p>Road and Sidewalk Access: In order to complete the work in a safe manner, there will be road and sidewalk restrictions within the construction work zone. Access for emergency vehicles will be maintained at all times.</p> <p>Driveway Access: The contractor will notify you of any temporary restrictions to your driveway access. If your property has two entrances, one entrance will be kept open at all times.</p> |
|  | <p>Pedestrians: The work may require temporary sidewalk restrictions, however any necessary sidewalk closures will alternate in each direction to ensure pedestrian access is maintained during construction.</p> |
|  | <p>People Cycling: If travelling on Steeles Avenue East, please share the traffic lane in the active work zones</p> |
|  | <p>Parking: This project will affect on-street parking. Parking in the active work zone is not permitted as space is needed for construction equipment and materials. If your parked vehicle affects construction work, it will be relocated with no charge to the owner. Please call 416-808-2222 for its location.</p> |
|  | <p>Parking Violation Notice: <u>Please ensure you park in a legal parking spot at all times.</u> If parking enforcement is called to a street, officers must issue a yellow parking violation notice (ticket) to vehicles in violation of parking by-laws. If you receive a yellow notice during this construction work, please do one of the following within 15 days of the notice date to avoid additional fines or records being kept of non-payment:</p> <ol style="list-style-type: none"> 1. Pay the parking violation (follow instructions on the back of the notice) or 2. File a Parking Violation Dispute with the City online, by mail, or in person (follow instructions on the back of the notice). As part of the dispute process, you may include the construction notice and/or other documentation related to parking impacts resulting from construction. <p>If you do not have a copy of the Construction Notice, please contact 311 to request a copy.</p> <p>Please note: Violation notices cannot be cancelled if vehicles are parked in illegal parking spots (i.e. in front of a fire hydrant or in No Parking zones).</p> <p>In an effort to reduce ticketing due to construction, please exercise patience with neighbours who are experiencing construction impacts and may need to temporarily park on your street.</p> |
|  | <p>Accessible Accommodation: The City's contractor must ensure safe and accessible walkways and entryways are maintained for everyone during construction. Any temporary access disruptions will be communicated as soon as possible. If you experience a disruption, have a specific access need or related accommodation request, inform the contact listed below.</p> |
