The City of Toronto informed residents and businesses in October 2023 that the road resurfacing project on Jane Street from Dundas Street West to Annette Street is scheduled to be completed in November 2023. All works have been completed from Dundas Street West to Annette Street, except for the intersection at Jane Street and Dundas Street West. Future construction updates regarding key dates and completed work will be provided as construction progresses. Thank you for your continued patience as we complete this infrastructure project.
