These files have been rescheduled to the April 10th Hearing date due to technical difficulties with the WebEx platform experienced at the March 20, 20224 Panel B Hearing.

Toronto and East York Panel will pilot agenda vetting for this hearing (only for the morning session items). If you wish to speak to an item being heard on this agenda, please ensure you are present virtually or physically at the beginning of the hearing, as applications may not be heard in order as they appear on the agenda. Agenda vetting is being piloted as a possible business improvement to our current hearing process.
