DRAWING & PAINTING WORKSHOPS FOR ADULTS

CHARCOAL, CONTE & COLOURED PENCILS 🖋️

Using versatile drawing media like charcoal, conte and coloured pencil, fill your sketchbook and express the world around you with exciting images from your imagination or immediate environment. No experience necessary.

COMPREHENSIVE DRAWING 🖋️

Acquire principles of art and design. Learn a variety of drawing, shading and blending techniques as well as composition and mark-making techniques to strengthen your core drawing abilities. The application of light and shadow, value and form will be explored. Projects include the value scale, geometric and organic still life, landscape and portrait. No experience necessary.

COLOUR THEORY 🖋️

Understanding how colours relate to one another is an important skill. Using a variety of mixed media, projects are based on explorations of colour theory which include experimentation with primary, secondary, tertiary, complimentary, analogous colours, warm and cold colours, colour mixing and practicing the creation of shade, tone and tint. Beginners to intermediate.

DIGITAL ART: LOGO DESIGN 🖋️

A good logo is important for expressing your individual marketing and branding needs. Participants learn the basics of logo design and are guided on how to create a logo (using Adobe Suite products) for personal or business use. Beginners/Intermediate welcome. Reduced class size.

EXPERIMENTAL WATERCOLOUR 🖋️

Free your imagination and enjoy working in a safe environment to take artistic chances and to innovate. Projects are designed with the purpose of exploring a variety of watercolour painting techniques, while learning colour theory and colour blending techniques. No experience necessary.

ILLUSTRIOUS INKS 🖋️

Take your sketching to the next level with the intense hues, clarity and fluidity of ink! Learn different techniques, brush work and create amazing artwork being inspired by landscape, human form and nature to build a dynamic sketchbook. No experience necessary.

MIXED MEDIA WORKSHOP 🌞

Get your creativity flowing. Instruction will be given throughout the class to ensure improvement and understanding of artistic principles, while learning to create original artwork using an inspiring array of art media. No experience necessary.

PORTRAITS IN CHARCOAL & GRAPHITE 🖋️

Learn the basics of portraiture including face proportion, the techniques of measuring, shading, light and dark values and forms as well as the application of graphite pencils and charcoal. No experience necessary.

REACH FOR THE SKY 🌞

It's plein air season! Participants travel outside for a look at flowers and plants on the Clark grounds to explore colour, light, and texture in the fresh air. Create a unique mixed media interpretation of your 'reaching for the sky' encounters. No experience necessary.

THE ART OF SKETCHING OUTDOORS 🌞

Be inspired by the beautiful grounds of the Clark Centre in the Guild Park & Gardens. Begin your sketchbook journey by learning how to use line, artistic principles and sketchbook art to capture the beauty of the outdoors. Sketchbooks are great tools to start and work through ideas, processes and solutions for future artwork. No experience necessary.

WATERCOLOUR PORTRAITS 🌞

Learn the basics of portraiture; how to draw a human face in proportion using watercolour and measuring techniques. Instruction will include flesh tone mixing and water-based painting fundamentals. No experience necessary.

BOTANICAL IMAGES: DRAWING TO DIGITAL 🖋️

Begin in a drawing studio where potted flowers and plants will serve as inspiration to create drawn images of nature. Take your finished drawings to the computer lab to create digital botanical patterns and designs. After the course your digital files can be used to create fabric, wallpaper or even stickers. Beginner.

DRAWING TO DIGITAL: PORTRAITS 🌞

Begin in an art studio where you'll create a portrait, then take your portrait to the computer lab and create a dynamic digital version. After the course your file can be used to make printouts on canvas, other paper, mugs or even stickers. Beginner.

DRAWING IN COLOUR WORKSHOP 🌞

Come for one or all three workshops to draw from a curated still life using dry media of your choosing. Instruction throughout the class will ensure improvement and deeper understandings of drawing techniques as well as artistic principles. Each week come prepared to learn something different. Beginner to intermediate.

CREATE A TRIPTYCH 🖋️

Triptychs are captivating ways to tell stories through art. Participants will come with an idea for a triptych, and further develop their ideas into three acrylic painted panels which relate to each other through story, colour or subject matter. Beginner to intermediate.

ABSTRACTION TOOLBOX 🖌️

Create abstract paintings while learning how to use various art tools and techniques. Each week a new tool or technique will be explored through the creation of an abstract piece of art. Experiment with pallet knives, brushes, taping, pouring and collaging while investigating historical and contemporary abstract styles. Within the final two weeks, bring together all of the skills learned to create one final, totally unique piece of art. Beginner.

PAINTING IN FLIGHT 🌄

Guild Park and Gardens is the perfect setting to study birds. In this course you will learn how to draw and paint birds, studying their anatomy, texture, and magical colours. Beginner.

LANDSCAPE: HORIZONS 🌄

Create an original landscape painting, using colour theory, brush and underpainting techniques, composition and of course your imagination. Beginner.
