Emergency Closure: Beechgrove Drive from Bethley Drive to Coronation Drive

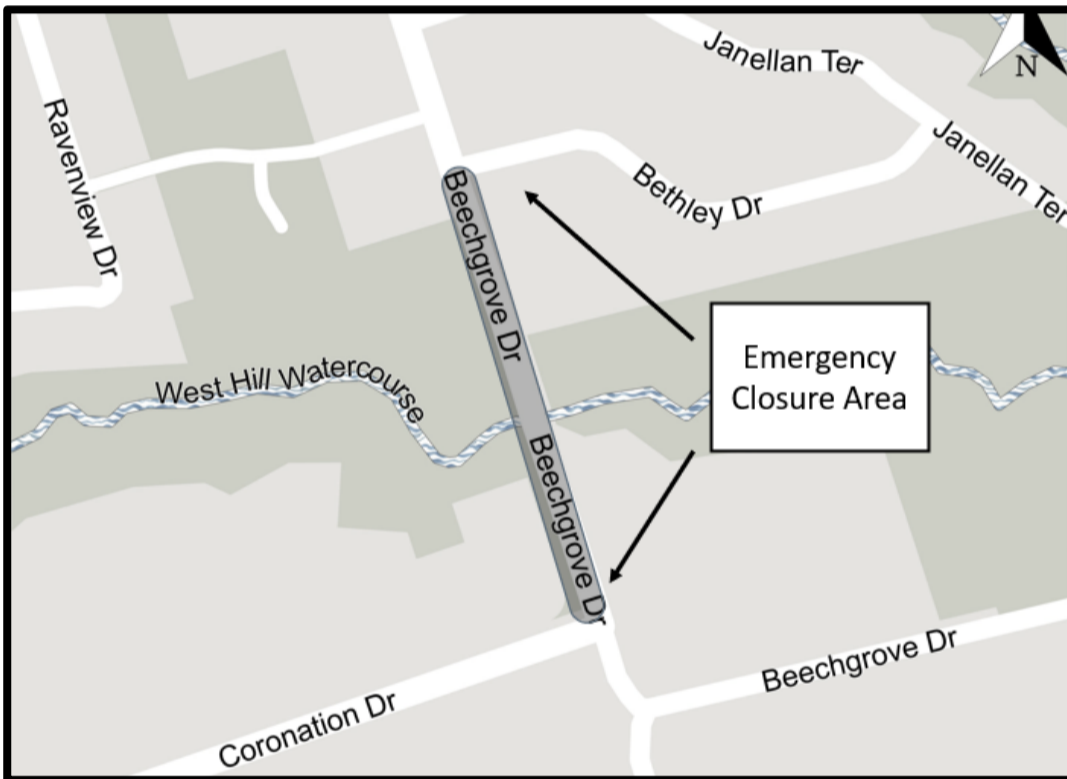

Contract: 23ECS-BE-09BSE
Emergency Road Closure Start Date: April 3, 2024

Due to the collapse of Beechgrove Drive over the West Hill Watercourse at the site of the culvert replacement project, the City of Toronto has closed Beechgrove Drive from Bethley Drive to Coronation Drive.

To safeguard the area, temporary concrete barriers and fencing have been placed around the site. Work to repair the site will begin as quickly as possible. Further details about the construction schedule will be shared in an upcoming Notice.

We understand this closure will cause disruptions. Ensuring public safety is our primary concern. Thank you for your patience during these emergency repairs. An investigation is underway to determine the cause of the road collapse.
