Road Resurfacing on Calvington Drive from Keele Street to Lexfield Avenue and State of Good Repair from Lexfield Avenue to Forthbridge Crescent

Contract: 24ECS-RD-07MR
Start Date: June 2024 End Date: September 2024
**Timeline is subject to change.*

The City of Toronto is planning to resurface Calvington Drive from Keele Street to Lexfield Avenue. Our inspection of the road shows that it needs resurfacing and sections of damaged curb and sidewalk need to be replaced to bring them to a state of good repair.

Additionally, the City is planning to address damaged curb and sidewalks for a state of good repair from Lexfield Avenue to Forthbridge Crescent. Furthermore, local geometric improvements are planned for the Keele Street and Calvington Drive intersection.

This project is part of the Council-approved 2020 Capital Works Program to renew aging City roads and sidewalk for current and future needs.

MAP OF WORK AREA

WHAT TO EXPECT BEFORE CONSTRUCTION

- Work crews will mark sidewalks and curbs requiring replacement and the locations of underground utilities, such as gas, water and cable so that the construction work does not interfere with these utilities.
- Affected properties will receive a Construction Notice approximately two weeks before work begins with more information about the work.
- The City will not be responsible for damage to any privately owned items on City property.

	<p>Accessible Accommodation: The City's contractor must ensure safe and accessible walkways and entryways are maintained for everyone during construction. Any temporary access disruptions will be communicated as soon as possible. If you experience a disruption, have a specific access need or related accommodation request, contact the Project Contact listed below.</p>
---	---

Important information for owners of sprinkler systems / heated driveways and private landscaping features. Property owners should remove items located within City property limits (boulevard) to avoid damage.

This includes items such as landscaping (plants and pavers), decorative objects, sprinkler systems or heated driveways. If you have a sprinkler system or heated driveway, please contact the **Project Contact** listed below.
