Road Resurfacing on Humber College Boulevard from Lynmont Road to John Garland Boulevard and on Slane Court

Contract: 23ECS-RD-02MR
Start Date: Start Date: June 2024 End Date: September 2024
**Timeline is subject to change.*

The City of Toronto is planning to resurface Humber College Boulevard from Lynmont Road to John Garland Boulevard and Slane Court. Our inspection of the road shows that it needs repaving, and sections of damaged curb and sidewalk need to be replaced to bring them to a state of good repair.

This project is part of the Council-approved 2023 Capital Works Program to renew aging City roads and sidewalk for current and future needs.

MAP OF WORK AREA

WHAT TO EXPECT BEFORE CONSTRUCTION

- Work crews will mark sidewalks and curbs requiring replacement and the locations of underground utilities, such as gas, water and cable so that the construction work does not interfere with these utilities.
- Affected properties will receive a Construction Notice approximately two weeks before work begins with more information about the work.
- The City will not be responsible for damage to any privately owned items on City property.

	<p>Accessible Accommodation: The City's contractor must ensure safe and accessible walkways and entryways are maintained for everyone during construction. Any temporary access disruptions will be communicated as soon as possible. If you experience a disruption, have a specific access need or related accommodation request, contact the Project Contact listed below.</p>
---	---

Important information for owners of sprinkler systems / heated driveways and private landscaping features. Property owners should remove items located within City property limits (boulevard) to avoid damage.

This includes items such as landscaping (plants and pavers), decorative objects, sprinkler systems or heated driveways. If you have a sprinkler system or heated driveway, please contact the **Project Contact** listed below.
