Road Resurfacing on Bayview Avenue from Roehampton Avenue to 30 m North of Armistice Drive

Contract: 23ECS-RD-04MR
Start Date: July 2023 End Date: October 2023
**Timeline is subject to change.*

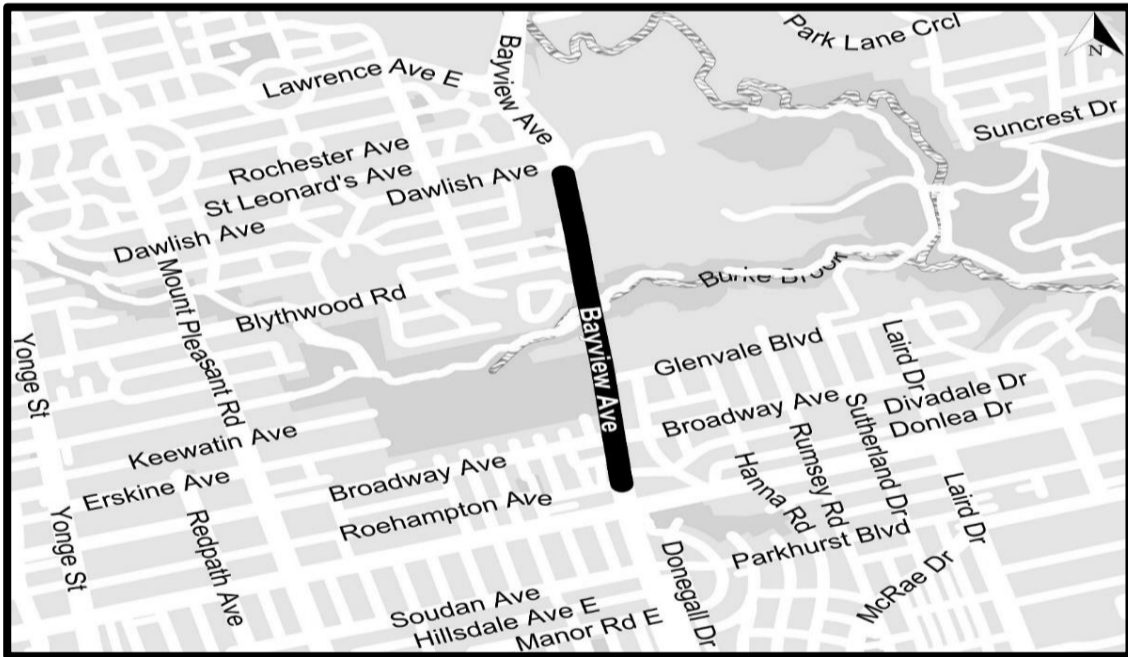

The City of Toronto is planning to resurface Bayview Avenue from Roehampton Avenue to 30 m north of Armistice Drive. Our inspection of the road shows that it needs repaving and sections of damaged curb and sidewalk need to be replaced to bring them to a state of good repair. The City will also perform traffic signal upgrades at all Bayview Avenue signalized intersection within project limits.

To improve the safety of pedestrians, pedestrian improvements are proposed at the intersections of Roehampton Avenue, Craig Crescent, Glazebrook Avenue, Broadway Avenue, Glenvale Boulevard, Sunnydene Crescent, Blythwood Road / Wellness Way, Hargrave Lane / Armistice Drive.

This work will also include the widening of the westside sidewalk between Blythwood Road and Sunnydene Crescent. Pedestrian improvements at intersections include installation of tactile walking surface indicator, curb radii reduction and re-alignment of cross walk.

Improvements to the roadway includes closure of all bus lay bies within the project limits except the lay bies north of Kilgour Road and installation of median islands at 120 m north of Kilgour Road. This project is part of the Council-approved 2023 Capital Works Program to renew aging City roads and sidewalk for current and future needs.

MAP OF WORK AREA

WHAT TO EXPECT BEFORE CONSTRUCTION

- Work crews will mark sidewalks and curbs requiring replacement and the locations of underground utilities, such as gas, water and cable so that the construction work does not interfere with these utilities.
- Affected properties will receive a Construction Notice approximately two weeks before work begins with more information about the work.
- The City will not be responsible for damage to any privately owned items on City property.

	<p>Accessible Accommodation: The City's contractor must ensure safe and accessible walkways and entryways are maintained for everyone during construction. Any temporary access disruptions will be communicated as soon as</p>
---	--

	possible. If you experience a disruption, have a specific access need or related accommodation request, contact the Project Manager listed below.
	<p>Important information for owners of sprinkler systems / heated driveways and private landscaping features. Property owners should remove items located within City property limits (boulevard) to avoid damage.</p> <p>This includes items such as landscaping (plants and pavers), decorative objects, sprinkler systems or heated driveways. If you have a sprinkler system or heated driveway, please contact the Project Manager listed below.</p>
