## Sanitary forcemain replacement is coming to your street

Contract: 23TW-CTS-14CWD

**Phase 1 Expected Start Date: Fall 2024\***

**Phase 1 Expected End Date: Spring 2025**

**Phase 2 Expected Start Date: Spring 2025\***

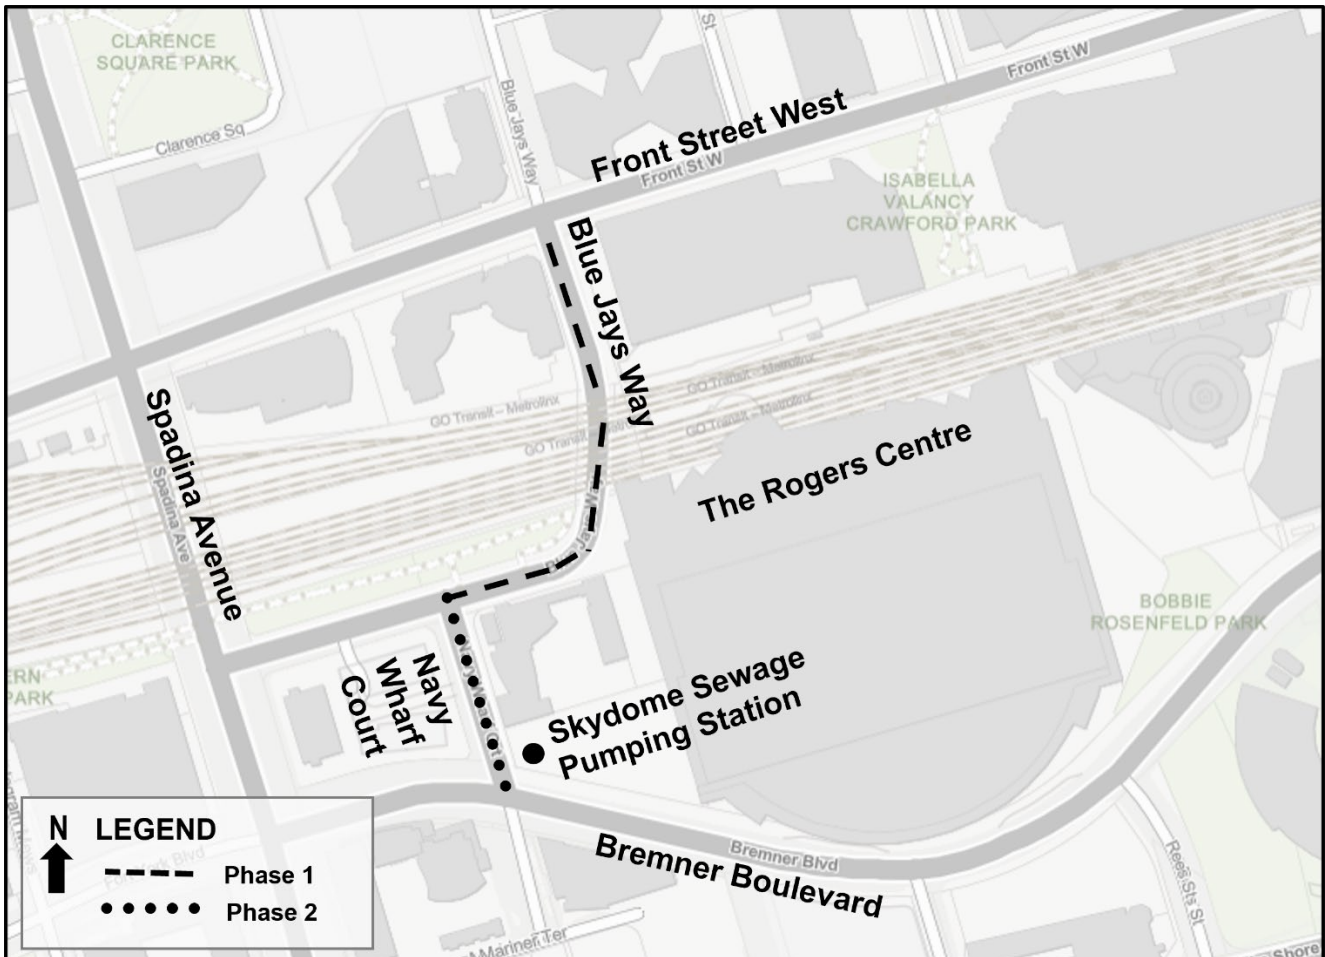

**Phase 2 Expected End Date: Summer 2025**

*\*Timeline is subject to change. Future notice to be provided.*

The City of Toronto will replace the sanitary forcemain (a pressurized sewer pipe that transports wastewater from a lower to higher elevation) that has reached the end of its life cycle. Work will take place on **Blue Jays Way** south of **Front Street West** to **Navy Wharf Court** and on **Navy Wharf Court** between **Blue Jays Way** and **Bremner Boulevard** and at the **Skydome Sewage Pumping Station**. Please see a map of the work area below.

This project is part of the Council-approved Capital Works Program to renew aging infrastructure reducing the risk of forcemain breaks and collapses. Affected properties will receive a construction notice approximately two to three weeks before work begins with exact details regarding the project's start and end dates.

### MAP OF WORK AREA

### WHAT TO EXPECT BEFORE CONSTRUCTION

- Work crews will mark the locations of underground utilities, such as gas, water and cables so that the construction work does not interfere with other utilities.
- You may experience dust, noise and other inconveniences. The City will make efforts to reduce the impacts. We appreciate your patience.
- The City will not be responsible for damage to any privately owned items on City property.

## CONSTRUCTION PHASES

Phase/ Timing/ Location *subject to change	Travel Impacts *subject to change
<b>Phase 1</b>  Early November 2024 to end of March 2025	Planned road closures on Blue Jays Way between from Navy Wharf Court and south of Front Street East.  Driveway access on Blue Jays Way will be maintained.  Pedestrian and bicycle paths will remain open.
<b>Phase 2</b>  Spring 2025 to end of Summer 2025  Navy Wharf Court between Bremner Boulevard and Blue Jays Way	One travel lane in each direction will be maintained on Navy Wharf Court between Bremner Boulevard and Blue Jays Way.  Driveway access on Navy Wharf Court will be maintained.  For a portion of construction, the north intersection of Navy Wharf Court and Bremner Boulevard will be closed to pedestrians. More details will be provided closer to construction in a follow-up notice. Signage will be put in place advising of the closure.  For a portion of construction, the east intersection of Navy Wharf Court and Bremner Boulevard will be closed to pedestrians. More details will be provided closer to construction in a follow-up notice. Signage will be put in place advising of the closure.

## WORK DETAILS

The City's contractor will move equipment on-site and prepare the work area before construction begins. Construction crews will then:

- Incrementally excavate the road and dig a trench to install the new sanitary forcemain.
- Following the installation of the new sanitary forcemains, crews will restore the disturbed roadway areas with temporary asphalt.

	<b>Work hours:</b> Work will take place from 7 a.m. to 10 p.m., Monday to Friday, with work after hours and on weekends as required and in accordance with the City of Toronto's Noise Bylaw. You will be notified in advance of any changes to work hours. The weekday evening work hours allow the City's contractor to complete work for phases 1 and 2 in an expedited way to meet construction deadlines.
	<b>Construction noise:</b> You may experience intermittent noise and vibration during construction (from vacuum trucks, power generators, air compressors, etc.). All work will comply with the City of Toronto's Noise Bylaw.
	<b>Road and sidewalk access:</b> To safely complete the work, there will be road and sidewalk restrictions within the construction work zone. Access for emergency vehicles will be maintained at all times.
	<b>Traffic management:</b> Efforts have been made to manage traffic in the area for the safety of workers, road users and residents. Road users should expect delays and increased traffic on nearby main and side streets.
	<b>Restoration:</b> The construction work area will be restored with sod and/or asphalt where required. Interlocking bricks, flagstone on a granular base, or other similar features that are removed from public and private property during construction will be replaced. Lawn seeding and/or laying of sod will be done as needed during ideal growing seasons only - in the Spring (April to June) and Fall (September to October). Permanent restoration of the curb and sidewalk will take place within 18 to 24 months.
	<b>Accessible accommodation:</b> The City's contractor must ensure safe and accessible walkways and entryways are maintained for everyone during construction. Any temporary access disruptions will be communicated as soon as possible. If you experience a

	disruption, have a specific access need or related accommodation request, contact the Field Ambassador listed below.
--	--

Harassment at City of Toronto construction sites is not tolerated. If you would like to make a complaint, please call 311.
