

April 26, 2024

TEMPORARY ROAD CLOSURE OLD MILL DRIVE AND CATHERINE AVENUE

Contract: 20ECS-LU-01FP

Expected Start Date: Monday, April 29, 2024

Expected End Date: Friday, May 3, 2024

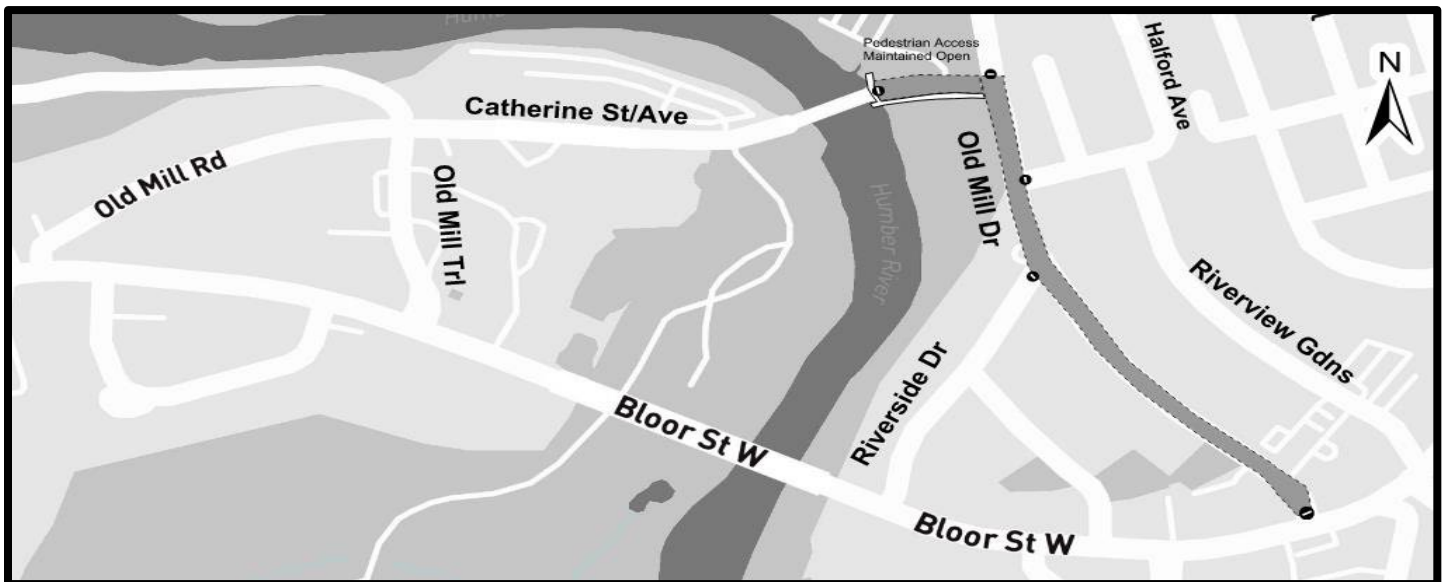

**Content/dates subject to change.*

The work to replace the storm sewer on Old Mill Drive and Catherine Avenue has been completed. The Contractor will be milling and paving on Old Mill Drive and Catherine Avenue causing driveways to be restricted periodically for short durations. Due to the nature of this work, Old Mill Drive will be closed between Catherine Avenue and Bloor Street.

Catherine Avenue will be closed from Old Mill Drive to the east limit of the Old Mill Bridge from **7 a.m. on Monday, April 29, 2024 to 7 p.m. on Friday, May 3, 2024.**

This project is part of the Council-approved 2021 Basement Flooding Protection Program to improve the water distribution system, renew our aging infrastructure and reduce the risk of sewer collapse or blockages that cause sewer backups and flooding.

MAP OF WORK AREA

WORK DETAILS

Work crews will:

- Mill and pave Old Mill Drive between Catherine Avenue and Bloor Street, and Catherine Avenue between Old Mill Drive and the east limit of Old Mill Bridge.

WHAT TO EXPECT DURING CONSTRUCTION

- The community will experience dust, noise and traffic delays.

- The City will make efforts to reduce impacts. Your patience is appreciated.
- Rolling closures and restricted access periodically during working hours.

	<p>Work Hours: Work will take place from 7 a.m. to 7 p.m., Monday to Friday.</p>
	<p>Traffic Management: Road users should expect delays and increased traffic on nearby main and side streets. Motorists are reminded that bicycles and cars will be sharing the lane. When driving, please be mindful of vulnerable road users. Efforts have been made to manage traffic in the area for the safety of workers, road users and residents.</p> <ul style="list-style-type: none"> • Old Mill Drive and Catherine Avenue will remain open to local traffic. • Milling and paving work will block one or two lanes during the rolling closures. • Access to driveways will be restricted periodically for short durations. • During the road closure, access to the parking lot at Etienne Brule Park will not be accessible to vehicles. • At all times access to emergency vehicles will be maintained.
	<p>Pedestrians: Safe pedestrian access will be maintained at all times.</p> <ul style="list-style-type: none"> • Pedestrians will be able to access the Etienne Brule Park using the stairway east of Old Mill Drive bridge.
	<p>Accessible Accommodation: The City's contractor must ensure safe and accessible walkways and entryways are maintained for everyone during construction. Any temporary access disruptions will be communicated as soon as possible. If you experience a disruption, have a specific access need or related accommodation request, inform the contact listed below.</p>

NEED MORE INFORMATION?

If you have questions about this construction project, please contact staff listed below. If you need to speak with staff on the construction site – please ask for the site inspector, respect physical distancing and wear a mask.
