

March 2024

## F. G. Gardiner Expressway Rehabilitation Project between Dufferin Street and Strachan Avenue

**Contract #: 22ECS-BE-01GE**

The City of Toronto is rehabilitating the Gardiner Expressway between Dufferin Street and Strachan Avenue. This project is the second of six projects that make up the Gardiner Expressway Strategic Rehabilitation Plan (from Highway 427 to the Don Valley Parkway).

### LANE CLOSURES BEGIN MARCH 25 FOR PRE-CONSTRUCTION WORK

Beginning March 25, lane closures on the Gardiner Expressway will be implemented between Dufferin Street and Strachan Avenue for pre-construction work.

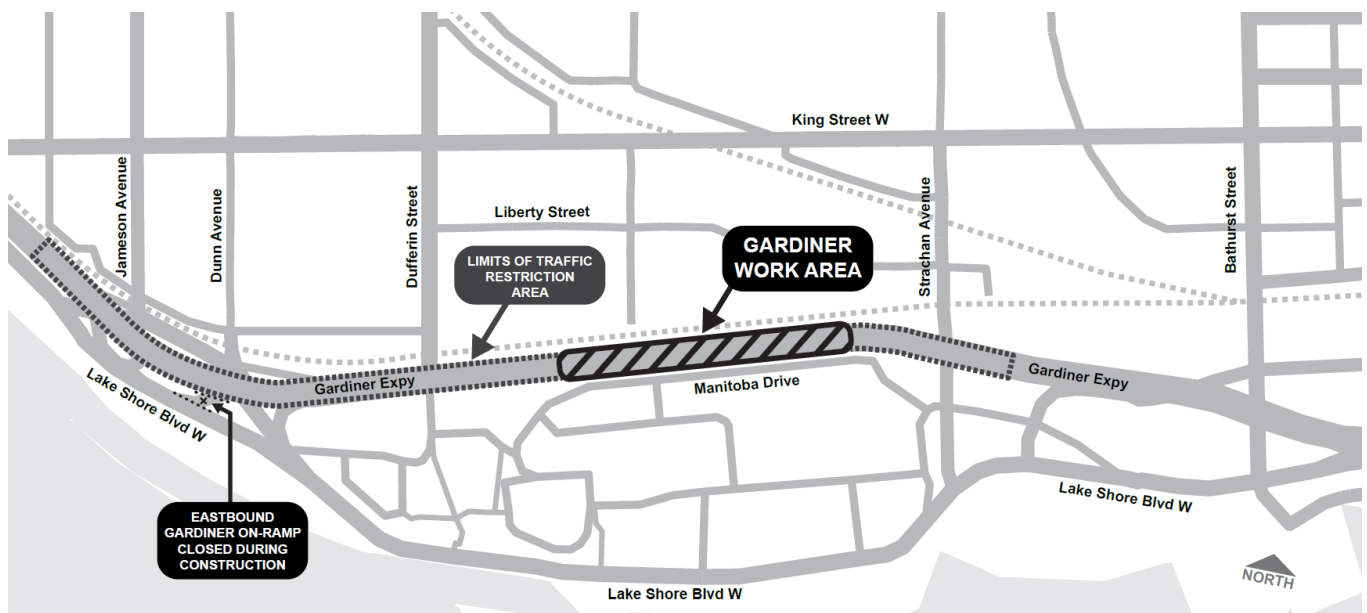

The work will occur in stages, impacting one lane in each direction at a time, starting with the eastbound lanes.

During the eastbound lane closure, the eastbound on-ramp from Lake Shore Boulevard, east of Jameson Avenue, will also be closed to facilitate this work. Intermittent additional nightly lane reductions will also occur.

There are no lane restrictions planned over the March long weekend (Friday, March 29 to Sunday, March 31) or Saturday, April 6 until the evening of Monday, April 8.

Following the pre-construction work, long-term lane restrictions will begin. Starting in mid-April, the Gardiner Expressway will be reduced to two lanes in each direction between Dufferin Street and Strachan Avenue, with intermittent additional nightly lane reductions as necessary.
