

Employee Health & Wellness

We are a confidential medical unit comprising a multi-disciplinary team of health professionals and support staff within the People & Equity Division

Our Services

Integrated Disability Management

Assess and clarify functional abilities based on objective medical information and provide recommendations to facilitate the accommodation process.

Liaise with healthcare providers to assist with developing individualized return-to-work and stay-at-work plans in partnership with employees, divisions, unions, and People & Equity.

Support employees experiencing health issues that might impact their ability to perform their jobs safely and successfully.

Provide consultation to divisions and People & Equity to ensure the delivery of effective integrated disability management.

Health, Wellness & Education

Provide various training programs on managing employee health and wellness issues in the workplace.

Promote and support the development and implementation of psychosocial health and safety programs and initiatives.

Pre-placement assessments, legislative and preventative programs aimed at ensuring a healthy and safe workplace.

Coordinate Critical Incident Response between the divisions and the external EAP provider.
