F. G. Gardiner Expressway Rehabilitation Project between Dufferin Street and Strachan Avenue

Contract #: 22ECS-BE-01GE

The City of Toronto is rehabilitating the Gardiner Expressway between Dufferin Street and Strachan Avenue. This project is the second of six projects that make up the Gardiner Expressway Strategic Rehabilitation Plan (from Highway 427 to the Don Valley Parkway).

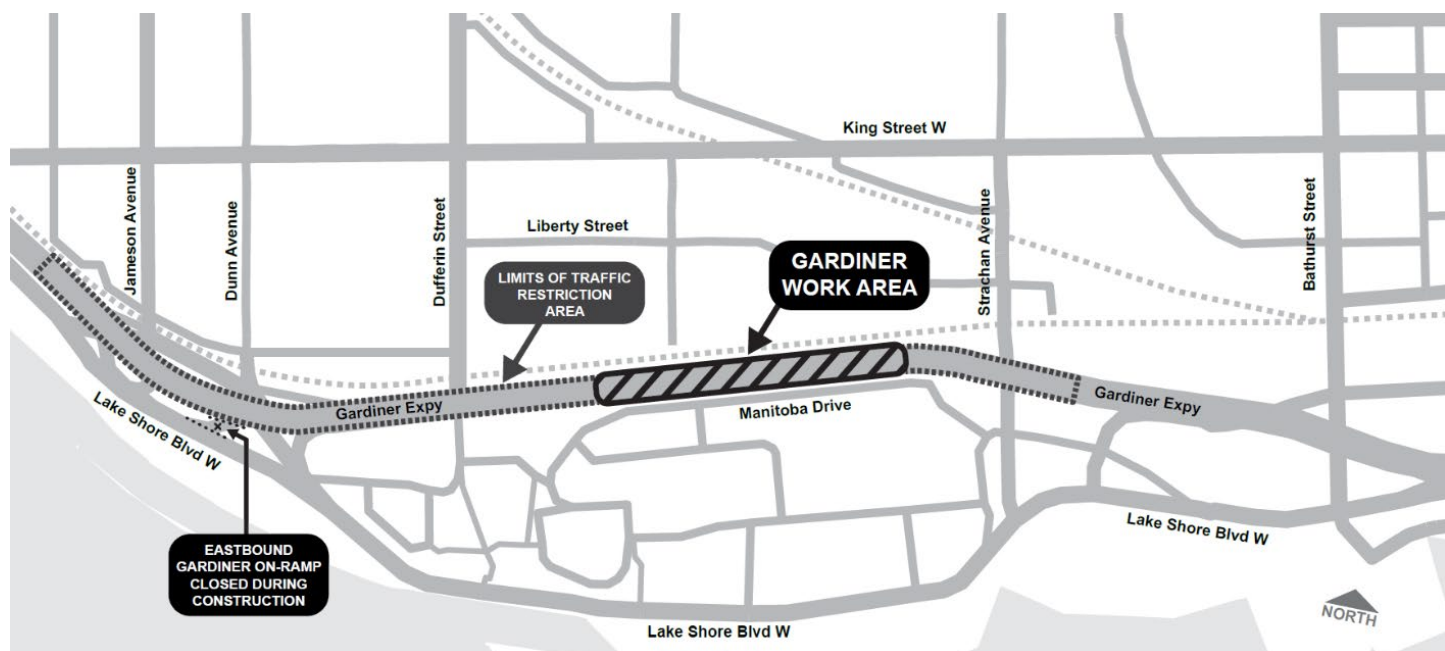

LONG TERM LANE RESTRICTIONS BEGIN

As part of the ongoing Gardiner Expressway Rehabilitation Project between Dufferin Street and Strachan Avenue, starting as early as 11 p.m. on Monday, April 8 one eastbound lane will be closed with intermittent overnight closures of a second lane as required. The eastbound on-ramp from Lake Shore Boulevard east of Jameson Avenue will also be closed to facilitate traffic merging and congestion management near the work zone.

Starting as soon as Wednesday, April 10, one westbound lane will be closed with intermittent overnight closures of a second lane as required.

These lane closures will remain in effect until the project concludes in mid-2027, with a brief re-opening for FIFA World Cup 26™ from May to the end of July 2026.
