## LANE CLOSURES ON ALNESS STREET FROM STEELES AVENUE WEST TO FINCH AVENUE WEST AND ON CHAMPAGNE DRIVE FROM FINCH AVENUE WEST TO CHESSWOOD DRIVE

**Contract: 24ECS-RD-01MR**

**Start Date: September 11, 2024, End Date: November 2024**

*\*Timeline is subject to change.*

The City of Toronto will resurface Alness Street from Finch Avenue West to Steeles Avenue West, along with add new sidewalks on the west side between Finch Avenue West and Flint Road, and south of Steeles Avenue West. Additionally, new cycle tracks will be installed for Champagne Drive and Alness Street between Chesswood Drive and Finch Hydro Corridor.

To adhere to work-zone regulations and maintain both public safety and the safe flow of vehicular traffic during construction the following lane closures will be in effect:

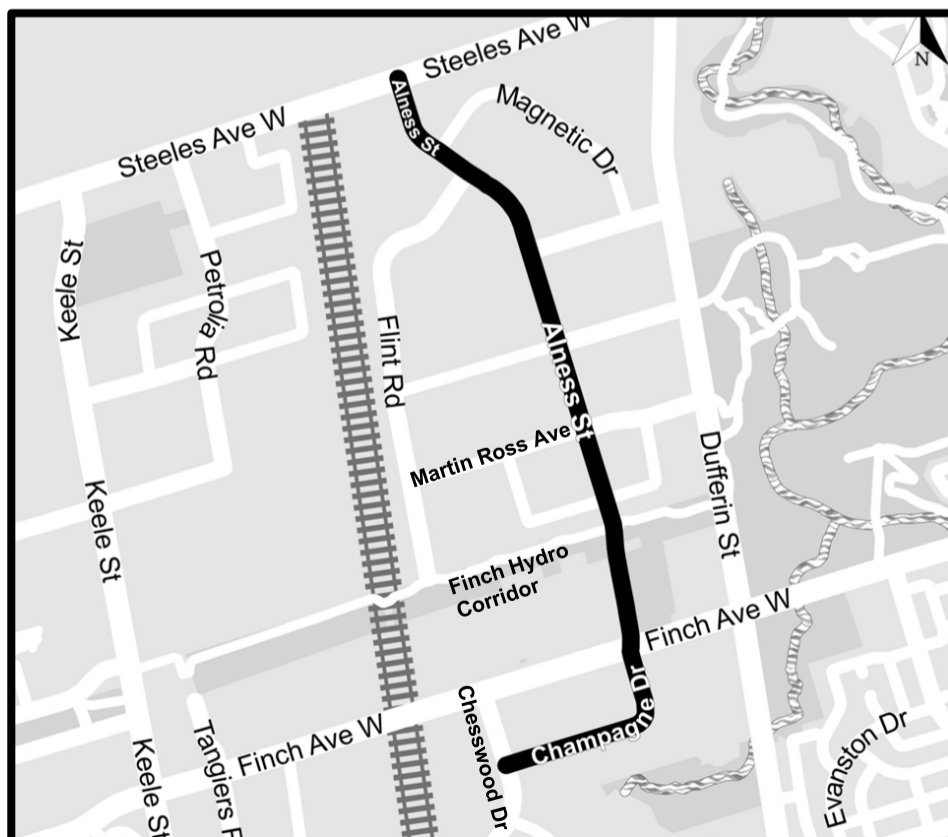

- **September 12 to October 25:** only the Southbound lanes of Champagne Drive from Finch Avenue West to Chesswood Drive will be closed. Northbound traffic will remain open.
- **September 16 to October 18:** only the Southbound lanes of Alness Street from Steeles Avenue West to Martin Ross Avenue will be closed. Northbound traffic will remain open.
- **October 18 to November 8:** only the Southbound lanes of Alness Drive from Martin Ross Avenue to Finch Avenue West will be closed. Northbound traffic will remain open.

Please note that these timelines are weather-dependent. Plan your daily driving activities accordingly.

For your convenience, the TTC's approved bus diversion map is attached.

Your continued support is greatly appreciated as we work diligently to complete this significant project.
