ARTISTIC DIRECTOR: LAURA NANNI
THEME: BRIDGING DISTANCE

Distance – how do we understand it? How do we feel it? How do we bridge the gaps? Explore the multifaceted ways we experience distance and find new perspectives that reconnect us to the city through art. How can art bring us closer to the thoughts, feelings and experiences of those outside our geographic, social and political realms? Zoom out for perspective, take a closer look and go where the art takes you.
