The City of Toronto is planning to replace the L'Amoreaux Drive culvert over Highland Creek. This work will ensure that the bridge meets today's standards and remains safe into the future. The project is part of the Council-approved 2024 Capital Works Program.

MAP OF WORK AREA

WORK DETAILS

- The City's contractor will:
- Earth excavate and backfill.
 - Remove and replace the existing elliptical culvert with a new double cell concrete culvert, and waterproofing.
 - Reconstruct culvert inlet and outlet.
 - Reconstruct retaining walls.
 - Reconstruct steel beam guide rails.
 - Reconstruct the sidewalk, boulevard, asphalt pavement within the proposed work area.

WHAT TO EXPECT DURING CONSTRUCTION

- You may experience dust, noise and other inconveniences. The City will make efforts to reduce impacts. We appreciate your patience.

	Work Hours: Work will take place from 7 a.m. to 7 p.m., Monday to Friday, with work after hours and on weekends as required.
	Pre-Construction Inspection: Alliance Verdi Civil Inc., under contract to the City of Toronto, is conducting inspections of properties in the vicinity of the construction area before construction starts. Affected properties will receive a separate notice to set up an appointment for the inspection.

	<p>The inspection will look at the exterior and interior of properties to verify existing conditions. Although participation is voluntary, the City encourages all property owners to participate. Without the survey, it will be difficult to confirm any claims of damage caused by construction. All inspection staff will wear photo I.D. and carry photo equipment for this work.</p>
	<p>Road and Sidewalk Access: In order to complete the work in a safe manner, there will be road and sidewalk restrictions within the work zone. Access for emergency vehicles will be maintained at all times.</p> <p>Traffic Management: Road users should expect delays and increased traffic on nearby main and side streets. Motorists are reminded that bicycles and cars will be sharing the lane. When driving, please be mindful of vulnerable road users.</p> <ul style="list-style-type: none">• L'Amoreaux Drive will be closed at the culvert location for the duration of the project.• No through traffic will be permitted.• Motorists are encouraged to follow posted detour signs for alternative road access.
	<p>Accessible Accommodation: The City's contractor must ensure safe and accessible walkways and entryways are maintained for everyone during construction. Any temporary access disruptions will be communicated as soon as possible. If you experience a disruption, have a specific access need or related accommodation request, contact the Field Ambassador listed below.</p>
