Temporary Road Closure: Lumley Avenue

Contract: 22ECS-LU-01FP

Expected Start Date: January 13, 2025

Expected End Date: February 24, 2025

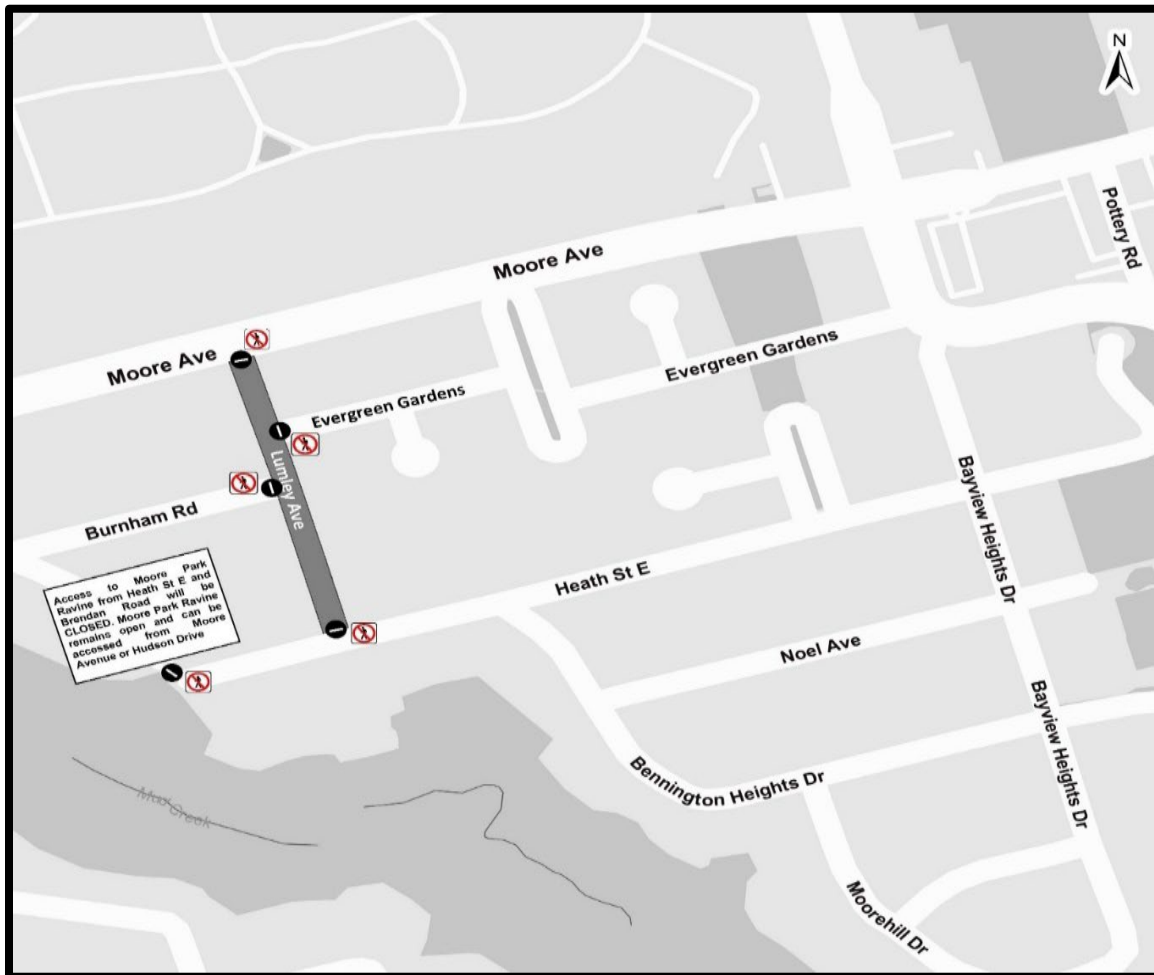

**Timeline is subject to change.*

This project is part of the Council-approved 2022 Basement Flooding Protection Program to improve the water distribution system; renew our aging infrastructure and reduce the risk of sewer collapse or blockages that cause sewer backups and flooding. This work also involves replacing the city-owned portion of substandard water services and sanitary sewer laterals.

Due to the nature of the construction work and to avoid safety concerns, **Lumley Avenue will be closed to all vehicular and pedestrian through traffic.** This closure will affect access to Lumley Avenue at the intersections of Burnham Road, Evergreen Gardens, Heath Street East, and Moore Avenue, effective from 7:00 a.m. on Monday, January 13, 2025, to 7:00 p.m. on Monday, February 24, 2025. Residents living on Lumley Avenue will have access to the roadway and their driveway.

We apologize for any inconvenience that this closure will cause, and we thank you for your continued patience as we complete the work.

MAP OF WORK AREA

WHAT TO EXPECT DURING CONSTRUCTION

- The community will experience dust, noise, and traffic delays.
- The city will make efforts to reduce impacts.

Traffic Management: Road users should expect delays and increased traffic on nearby main and side streets. Motorists are reminded that bicycles and cars will be sharing the lane. When driving, please be mindful of vulnerable road users. Efforts have been made to manage traffic in the area for the safety of workers, road users and residents.

	Pedestrians: Pedestrian access to Lumley Avenue will be restricted at the intersections of Burnham Road, Evergreen Gardens, Heath Street East, and Moore Avenue.
	Work Hours: Work will take place from 7 a.m. to 7 p.m., Monday to Friday.
	Accessible Accommodation: The City's contractor must ensure safe and accessible walkways and entryways are maintained for everyone during construction. Any temporary access disruptions will be communicated as soon as possible. If you experience a disruption, have a specific access need or related accommodation request, inform the contact listed below.
