Basement Flooding Protection Program Fairbank-Silverthorn Storm System- Phase 2 Construction on Rowntree Avenue and Chambers Avenue

Contract #: 23ECS-MI-03FS

Start Date: March 2025

Expected End Date: July 2025*

**Timeline is subject to change.*

The City of Toronto is advancing construction of a new storm sewer system that will collect, store and move stormwater (rain and melted snow) from the Fairbank-Silverthorn area to Black Creek. This work is part of the City's Basement Flooding Protection Program to help reduce the risk of future basement flooding. Once complete, the new storm sewer system will help to reduce the impact of heavy rainfall and sewer back-ups for more than 4,600 homes in your area.

The City's contractor will be installing new storm sewers on Rowntree Avenue and Chambers Avenue from March to July 2025. This work will be done in block-by-block segments to prevent long-term road restrictions. Once sewer related works are completed, road resurfacing and restoration will take place. The works will be done in the following phases as seen in the Map on page 2:

- Phase 1: Starting from 102 Rowntree Avenue to the intersection of Rowntree Avenue and Chambers Avenue
- Phase 2: Starting from the intersection of Rowntree Avenue and Chambers Avenue to 171 Chambers Avenue
- Phase 3: Road resurfacing and restorations works

The following traffic restrictions will apply during construction:

- The intersection of Rowntree Avenue at Chambers Avenue will be closed to vehicular traffic. Sidewalk detours will be clearly marked for pedestrians to navigate the intersection safely.
- Rowntree Avenue will be limited to local traffic during construction. Driveways may be affected for short durations between 90 – 102 Rowntree Avenue. A separate driveway notice will be submitted at least 48 hours before works take place.
- Chambers Avenue will be limited to local traffic during construction. Driveways may be affected for short durations between 165 – 171 Chambers Avenue. A separate driveway notice will be submitted at least 48 hours before works take place.
- Pedestrian access to properties will be maintained at all times.
 - The north sidewalk on Rowntree Avenue between #90 Rowntree Avenue to #102 Rowntree Avenue will experience localized closures.
 - The west sidewalk on Chambers Avenue between #165 Chambers Avenue to #171 Chambers Avenue will also experience localized closures.

The north sidewalk on Rowntree Avenue between #90 Rowntree Avenue to #102 Rowntree Avenue will experience localized closures. The west sidewalk on Chambers Avenue between #165 Chambers Avenue to #171 Chambers Avenue will also experience localized closures.</p> <p>Driveway Access: Your driveway may be affected during the construction. Please note that you will be notified with a separate notice that specifies the duration of the driveway impact if applicable.</p> <p>Street Parking: Street parking will not be available during construction. Arrangements for alternate streets should be considered.</p>
	<p>Traffic Management: Road users should expect delays and increased traffic on nearby side streets. When driving, please be mindful of vulnerable road users.</p>

	<p>Parking Violation Notices: <u>Please ensure you park in a legal parking spot at all times.</u> If parking enforcement is called to a street, officers must issue a yellow parking violation notice (ticket) to vehicles in violation of parking by-laws. If you receive a yellow notice during this construction work, please do one of the following within 15 days of the notice date in order to avoid additional fines or records being kept of non-payment:</p> <ol style="list-style-type: none"> 1. Contact the Field Ambassador listed below, and provide a photo of your ticket and ticket number, along with your contact information. <u>or</u> 2. Pay the parking violation (follow instructions on the back of the notice) <u>or</u> 3. File a Parking Violation Dispute with Dispute the parking violation notice online, by mail or in person (follow instructions on the back of the violation notice). As part of the dispute process, you may include the construction notice and/or other documentation related to parking impacts resulting from construction <p>If you do not have a copy of the Construction Notice, please contact 311 to request a copy.</p> <p>Please note: Violation notices cannot be cancelled if vehicles are parked in illegal parking spots (i.e., in front of a fire hydrant or in No Parking zones).</p> <p>In an effort to reduce ticketing due to construction, please exercise patience with neighbours who are experiencing construction impacts and may need to temporarily park on your street.</p>
	<p>Accessibility Accommodation: The City's contractor must ensure that safe and accessible walkways and entryways are maintained for everyone during construction. Any temporary access disruptions will be communicated as soon as possible. If you experience a disruption, have a specific access need or related accommodation request, contact the Field Ambassador listed below.</p>
	<p>Garbage and Recycling: Please follow your normal routine. If required, the contractor will move bins to an appropriate location and return them. <i>Please ensure that your bins are labelled with your address.</i></p>
	<p>Restoration: The construction work area will be restored with sod, concrete and/or asphalt where required. Full restoration will be completed by the contractor.</p>
