

TransformTO Climate Advisory Group
Meeting #2024-3
September 19, 2024 | 9:30am-12:30 pm EST
Union Station office, Montreal Boardroom, 2nd Floor

MEETING OBJECTIVES

- To follow-up on the CAG advice on public engagement for the development of the 2026-2030 Short Term Action Plan reviewed at the May 31 workshop and the June CAG meeting;
- To learn how the City of Toronto is actioning the CAG recommendations as part of the public engagement strategy for the development of the 2026-2030 Short Term Action Plan;
- To learn about how CAG members can support public engagement for the development of the 2026-2030 Short Term Action Plan;
- To receive an update on the 2025 Annual Budget process (key dates, etc.) and where CAG can provide input;
- To receive an introduction about the upcoming work by Toronto Hydro and the Environment & Climate Division on a digital tool to support carbon awareness, education and engagement with Toronto residents; and
- To review and plan potential discussion topics for the next three CAG meetings.
