Black Creek Drive Bridge Rehabilitation over Black Creek

Contract: 25ECS-BE-04PM
Start Date: Late March 2025 End Date: March 2026
**Timeline is subject to change.*

The City of Toronto is planning to rehabilitate the Black Creek Drive Bridge over Black Creek. This work will ensure that the bridge meets today’s standards and remains safe into the future. Further details will be provided in an upcoming Construction Notice. The project is part of the Council-approved 2025 Capital Works Program

MAP OF WORK AREA

WHAT TO EXPECT BEFORE CONSTRUCTION

- Work crews will mark the locations of underground utilities, such as gas, water, and cable so that the construction work does not interfere with these utilities.
- Affected properties will receive a Construction Notice approximately two weeks before work begins with more information about the work.

	Accessible Accommodation: The City's contractor must ensure safe and accessible walkways and entryways are maintained for everyone during construction. Any temporary access disruptions will be communicated as soon as possible. If you experience a disruption, have a specific access need or related accommodation request, contact the Field Ambassador listed below.
