Actions	1. Authority be granted to enter into the Licence with Metrolinx, substantially on the major terms and conditions set out in Appendix "A", and including such other terms as deemed appropriate by the approving authority herein, and in a form satisfactory to the City Solicitor.												
Financial Impact	<p>The City is estimated to collect a total licence fee in the amount of \$8,225,992.60 (or \$1,645,198.52 per annum) plus applicable taxes for the term of the Licence. The revenue will be directed to the 2025 Approved Operating Budget for Corporate Real Estate Management under cost centre FA1684 and functional area code 3220200000 and will be included in future budget submissions per the agreement terms.</p> <p>The Chief Financial Officer and Treasurer has reviewed this DAF and agrees with the financial implications as identified in the Financial Impact section.</p>												
Comments	<p>On December 15, 2021, City Council adopted item EX28.12 titled "Metrolinx Subways Program – Real Estate Protocol and Land Valuation Principles for Subways and GO Expansion Programs." Upon its adoption, the City, TTC and Metrolinx entered into an agreement dated June 16, 2022 (the "Subways Master Agreement") which included a schedule that outlined the process for real estate transactions related to the Subway Programs (the "Real Estate Protocol"). The Real Estate Protocol provides a clear process for the City, TTC, and Metrolinx to follow relating to the acquisition, ownership and disposition of real property between the parties, both temporary and permanent interests, required for the Subways Program, which includes the Eglinton Crosstown West Extension ("ECWE") Project.</p> <p>Metrolinx requires access and use of the Licensed Areas to complete the proposed works in connection with the ECWE Project. The City has agreed to grant an initial Licence to Metrolinx to complete the stations, rails and subways components of the ECWE Project. Once Metrolinx has completed all construction related activities on the Licensed Areas, Metrolinx will seek the transfer of all required permanent property interests from the City under a separate transfer agreement.</p> <p>Staff within the Transportation Services and Toronto Water Divisions have no objection to the granting of the Licence. The form of the Licence is substantially in the form appended to the Real Estate Protocol. Real Estate Services staff considers the proposed fees and other terms and conditions of the Licence to be fair, reasonable and reflective of market rates.</p> <p>On June 26th, 2024, City Council adopted staff report EX15.2 titled "Priorities in Transit Expansion and Transit-Oriented Communities Projects". The report contained a recommendation that required Metrolinx to provide the City with certain information prior to completing any further real estate transactions involving City lands. The Transit Expansion (TE) Division has confirmed that Metrolinx has provided satisfactory information about its mitigation efforts related to construction impact to residential tenants and businesses, which satisfies the conditions set out in EX15.2 relating to the Properties.</p>
