Dear Nicole Welch:

Re: CCA s. 22 Notice and Extension of Multi-Sector Service Accountability Agreement (“Extending Letter”)

The *Connecting Care Act, 2019* (“CCA”) requires Ontario Health (“OH”) to notify a health service provider when OH proposes to enter into, or amend, a service accountability agreement with that health service provider.

OH hereby gives notice and advises City of Toronto, Long-Term Care Homes and Services (Wesburn Manor) (the “HSP”) of OH’s proposal to amend each multi-sector service accountability agreement (as described in the CCA) currently in effect between OH and the HSP (each “SAA”).

Subject to the HSP’s acceptance of this Extending Letter, each SAA will be amended with effect on March 31, 2025 as set out below. All other terms and conditions of each SAA will remain in full force and effect.

The terms and conditions in each SAA are amended as follows:

1. **Term** – In section 2.1, “March 31, 2025” is deleted and replaced by “March 31, 2026”.
2. **Schedules** – Except as set out in 3) and 4) below, the Schedules in effect on March 31, 2025 shall remain in effect until March 31, 2026, or until such other time as may be agreed to in writing by OH and the HSP.
3. **Schedule B: Report – Community Mental Health and Addiction Services** is hereby deleted and replaced with the schedule attached in Appendix A to this Extending Letter.

4. **Schedule C: Directives, Guidelines & Policies - Community Support Services And Community Mental Health and Addictions Services** is hereby deleted and replaced with the schedule attached in Appendix B to this Extending Letter.

Unless otherwise defined in this letter, all capitalized terms used in this letter have the meanings set out in each SAA.

Please indicate the HSP's acceptance and agreement to the amendments described in this Extending Letter by signing below and returning one scanned copy of this letter by e-mail no later than the end of business day on March 28, 2025, to: OH-Toronto.Accountability@ontariohealth.ca

The HSP and OH agree that the Extending Letter may be validly executed electronically, and that their respective electronic signature is the legal equivalent of a manual signature.

[1] As described in the Operational Direction “*Data Submission Requirements for the Mental Health and Addictions Sector*”, all community mental health and addictions health service providers are now required to submit data to Ontario Health. This will include:

1. Submission of the Mental Health and Addictions [Provincial Data Set \(MHA PDS\)](#)
 2. Submission of client Ontario Health Insurance Plan (OHIP) numbers within the provincial data set, for most mental health and addictions functional centres (*See Operational Direction memo for a list of exclusions*)
- Mental health and addictions health service providers will no longer be required to collect or submit the Ministry of Health’s Common Data Set for Community Mental Health Services (CDS-MH). The CDS-MH has been replaced with the Mental Health and Addictions **Provincial Data Set (MHA PDS)**
 - For more information about submitting the MHA PDS, please visit our MHA Provincial Data Set [Resource Hub](#) or contact our team at mhaddi@ontariohealth.ca

[1] **The Catalyst application, used to submit data to the Drug & Alcohol Treatment Information System (DATIS) for addictions programs, is not a compliant client management system with the Mental Health and Addictions Provincial Data Set and will not be made compliant.**

- Health service providers who use Catalyst will need to move to a compliant system or work with Ontario Health to determine the best way to submit the MHA PDS.
- Health service providers who are successfully collecting the MHA PDS through a compliant vendor client management system **will no longer be required to submit data through the Catalyst application to DATIS**. Offboarding from Catalyst is required to complete this process.
- Once a provider has gone through the Catalyst offboarding process and has implemented the required MHA PDS fields in their new system and are actively collecting this information for their clients, they are able to stop entering data into Catalyst.
- If you require information on how to offboard from Catalyst, please contact the [Catalyst Service Desk](#)
