

Construction Update: April 25, 2025

Gardiner Expressway Strategic Rehabilitation: Dufferin Street to Strachan Avenue | Community Update

Thank you for subscribing to the Gardiner Expressway Rehabilitation, Section 2 Dufferin Street to Strachan Avenue, community update e-newsletter.

Stage 3 Demolition Work Begins Monday, April 28

Stage 3 demolition work begins on **Monday, April 28** and is expected to continue for approximately 8 to 10 weeks. Work will occur on the north two lanes, starting at the west end of the construction zone (near Dufferin Street), progressing eastbound.

Work may begin as early as 4 a.m. and continue until 7 p.m., Monday to Saturday.

To accommodate operations at Exhibition GO Station, overnight work will be required for at least one week. Details about the overnight work will be shared in an upcoming email update once timing is confirmed.

This work involves the use of saw cutting, hydraulic hammers and other demolition methods and higher levels of noise during these activities can be expected.

Noise monitoring is in place, and updates will be provided as the work progresses.

Thank you for your patience!

We appreciate your patience and understanding as we work towards a safer and more efficient Gardiner Expressway.

Please share this email

To ensure widespread awareness, please share this email with your neighbours and encourage them to sign up for updates to stay informed with the latest information.
