TEMPORARY ROAD CLOSURE Lumley Avenue

Contract: 22ECS-LU-01FP
Expected Start Date: April 23, 2025
Expected End Date: May 2, 2025
Timeline is subject to change

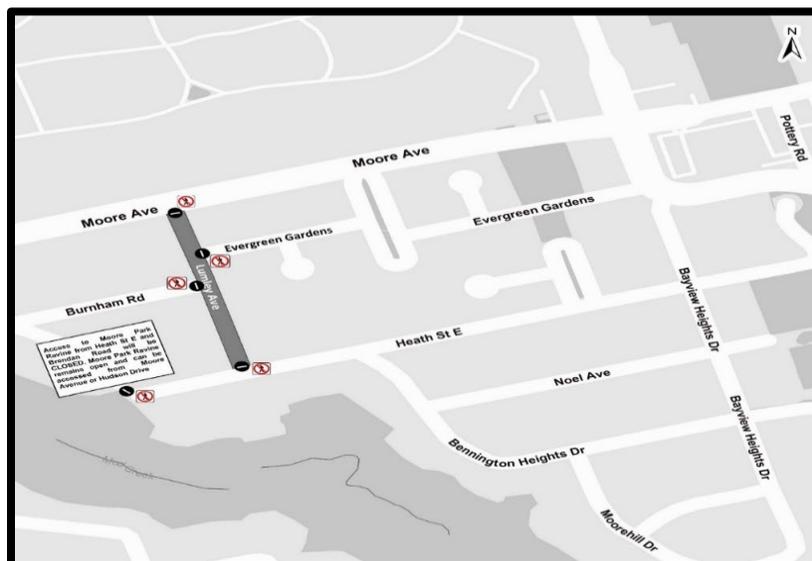

Current construction on Lumley Avenue involves replacing the city-owned portion of substandard water services and sanitary sewer laterals which requires digging within the city's right of way on the boulevard.

Due to the continuation of the construction work and to avoid safety concerns, Lumley Avenue will be closed to vehicular and pedestrian through traffic. This closure will affect access to Lumley Avenue at the intersections of Burnham Road, Evergreen Gardens, Heath Street East, and Moore Avenue, **effective from 7:00 a.m. on Wednesday, April 23, 2025, to 7:00 p.m. on Friday, May 2, 2025.** Residents living on Lumley Avenue will have access to the road and their driveway during this time.

We apologize for any inconvenience that this closure will cause, and we thank you for your continued patience as we complete the work.

This project is part of the Council-approved 2022 Basement Flooding Protection Program to improve the water distribution system; renew our aging infrastructure and reduce the risk of sewer collapse or blockages that cause sewer backups and flooding.
