Watermain Replacement and Road Resurfacing on Dunloe Road from Coulson Avenue to Old Forest Hill Road

Contract: 25ECS-LU-07SU
NEW Start Date: April 21, 2025
NEW End Date: September 8, 2025
**Timeline is subject to change.*

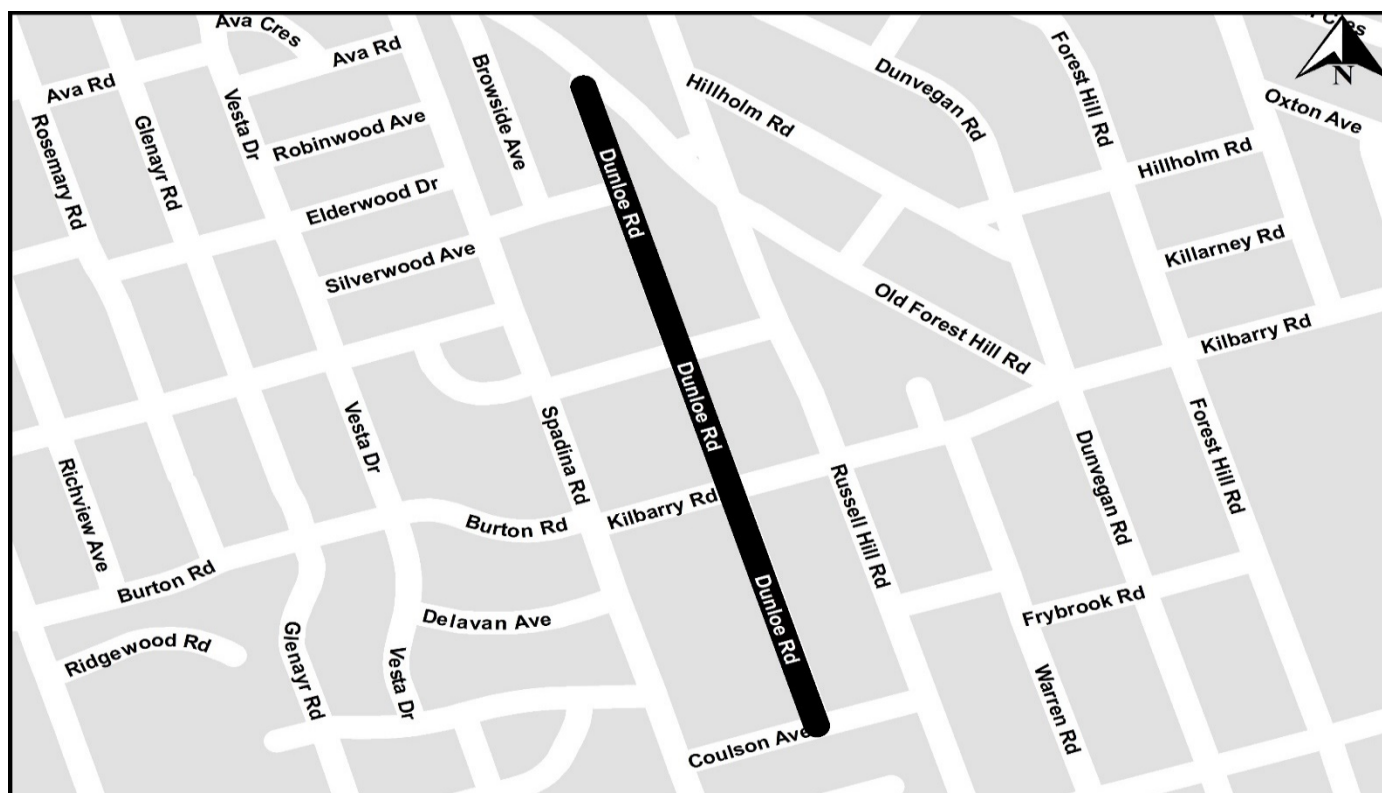

This notice provides an update on resurfacing the road and replacing the watermain and the City-owned portion of substandard water services on Dunloe Road from Coulson Avenue to Old Forest Hill Road.

The water service is the underground pipe that brings water to your water meter and is owned by you and by the City. The part you own is from your house to your property line, and the part the City owns is from the property line to the watermain.

This project is part of the Council-approved 2025 Capital Works Program to renew our aging infrastructure, improve water distribution and reduce the risk of watermain breaks.

The start date has been delayed on this project due to unavoidable construction conflicts on other streets that are part of the contract.
