Road Reconstruction, Road Resurfacing and Bikeway Construction on Steeles Avenue East from Midland Avenue to McCowan Road

Contract: 23ECS-RD-05MR
 Expected Restart Date: March 2025
 Expected End Date: August 2025
**Timeline is subject to change.*

This notice provides an update on road reconstruction, road resurfacing and bikeway construction on Steeles Avenue East from Midland Avenue to McCowan Road.

In 2024, the City’s contractor completed Phase 1 of the contract between Midland Avenue and Brimley Road.

In 2025, the contractor will complete the remaining work in Phase 2 between Brimley Road to McCowan Road.

The City will resurface the road, construct raised cycle tracks and install green infrastructure such as permeable surfaces and tree plantings. Road resurfacing involves removing and replacing the asphalt surface of the road.

MAP OF WORK AREA

WORK STATUS TO DATE

The City's contractor has:

- Completed all work between Midland Avenue and Brimley Road

REMAINING WORK

- Work crews will:
- Replace damaged sidewalk, curbs and gutters.
 - Install new catch basins.
 - Install new cycle tracks.
 - Install sod and native hydro-seeded boulevards.
 - Install new traffic signals and bike signals.
 - Dig up the road surface.
 - Pave base asphalt.
 - Re-align maintenance holes and stormwater catch basins.
 - Pave the road surface.

WHAT TO EXPECT DURING CONSTRUCTION

- You may experience dust, noise and other inconveniences. The City will make efforts to reduce the impacts. We appreciate your patience.
- The City will not be responsible for damage to any privately owned items on City property.

	Work Hours: Work will take place from 7 a.m. to 7 p.m., Monday to Friday, with work after hours and on weekends as required.
	Traffic Management: Road users should expect delays and increased traffic on nearby main and side streets. Motorists are reminded that bicycles and cars will be sharing the lane. When driving, please be mindful of vulnerable road users. Efforts have been made to manage traffic in the area for the safety of workers, road users and residents. Traffic on Steeles Avenue East will be reduced to one lane in each direction.
	Road and Sidewalk Access: To complete the work in a safe manner, there will be road and sidewalk restrictions within the construction work zone. Access for emergency vehicles will be maintained at all times. Driveway Access: The contractor will notify you of any temporary restrictions to your driveway access. If your property has two entrances, one entrance will be kept open at all times.
	Pedestrians: The work may require temporary sidewalk restrictions, however any necessary sidewalk closures will alternate in each direction to ensure pedestrian access is maintained during construction.
	People Cycling: Travel will be reduced to one shared lane in each direction for people cycling and driving through the work zone.
	Parking: This project will affect on-street parking. Parking in the active work zone is not permitted as space is needed for construction equipment and materials. If your parked vehicle affects construction work, it will be relocated with no charge to the owner. Please call 416-808-2222 for its location.
	Parking Violation Notice: <u>Please ensure you park in a legal parking spot at all times.</u> If parking enforcement is called to a street, officers must issue a yellow parking violation notice (ticket) to vehicles in violation of parking by-laws. If you receive a yellow notice during this construction work, please do one of the following within 15 days of the notice date to avoid additional fines or records being kept of non-payment: <div><div>1. Pay the parking violation (follow instructions on the back of the notice) or</div><div>2. File a Parking Violation Dispute with the City online, by mail, or in person (follow instructions on the back of the notice). As part of the dispute process, you may include the construction notice and or other documentation related to parking impacts resulting from construction.</div></div> If you do not have a copy of the Construction Notice, please contact 311 to request a copy. Please note: Violation notices cannot be cancelled if vehicles are parked in illegal parking spots (for example, in front of a fire hydrant or in No Parking zones). In an effort to reduce ticketing due to construction, please exercise patience with neighbours who are experiencing construction impacts and may need to temporarily park on your street.

Accessible Accommodation: The City's contractor must ensure safe and accessible walkways and entryways are maintained for everyone during construction. Any temporary access disruptions will be communicated as soon as possible. If you experience a disruption, have a specific access need or related accommodation request, inform the contact listed below.
