

Construction Update: May 23, 2025

## Gardiner Expressway Strategic Rehabilitation: Dufferin Street to Strachan Avenue | Community Update

Thank you for subscribing to the Gardiner Expressway Rehabilitation, Section 2 Dufferin Street to Strachan Avenue, community update e-newsletter.

### **Project Overview:**

The project will take place in three stages, focusing on two lanes at a time while keeping four lanes open.

- Stage 1 south two lanes
- Stage 2 middle two lanes
- Stage 3 north two lanes (current stage)

### **Stage 3 Demolition Work Update**

Stage 3 demolition work west of the Exhibition GO Station has been completed and is progressing eastward. Work continues to progress well.

In the coming days, demolition activities above steel girders are anticipated to begin. This work will be noisier and dustier than some of the demolition work to date. Noise monitoring is in place. We appreciate your continued patience and understanding.

Stage 3 demolition is expected to be completed in June.

### **Upcoming Overnight Work**

Overnight work to lift and remove existing steel girders and place new girders is anticipated to start in the next few weeks. Noise and dust is anticipated to be minimal for this type of work.

### **Thank you for your patience!**

We appreciate your patience and understanding as we work towards a safer and more efficient Gardiner Expressway.

### **Please share this email**

To ensure widespread awareness, please share this email with your neighbours and encourage them to sign up for updates to stay informed with the latest information.

### **For more information**

If you have any questions or have any suggestions for what you would like to see in this community update, please contact the field ambassador for this project, Madeleine Eleuteri, at [GardinerS2info@parsons.com](mailto:GardinerS2info@parsons.com) or 437-996-4065.

Stay tuned for the next update!
