## Gardiner Expressway Strategic Rehabilitation: Dufferin Street to Strachan Avenue | Community Update

Thank you for subscribing to the Gardiner Expressway Rehabilitation, Section 2 Dufferin Street to Strachan Avenue, community update e-newsletter.

### **Project Overview:**

The project will take place in three stages, focusing on two lanes at a time while keeping four lanes open.

- Stage 1 south two lanes
- Stage 2 middle two lanes
- Stage 3 north two lanes (current stage)

### **Stage 3 Demolition Work Update**

Demolition of superstructure for Stage 3 continues to progress well.

Overnight demolition work at Exhibition GO Station is now complete.

To help reduce early morning noise for the nearby community, demolition activities have been shifted to start around 7 a.m. Works which involve clean up will occur before 7 a.m., but will not be significant in terms of generating noise.

Stage 3 demolition is still on track to be completed in June.

### **Upcoming Overnight Work**

Overnight work to lift and remove existing steel girders at the Exhibition GO Station is expected to take place from 11:59 p.m. on Tuesday, June 3 to 5 a.m. on Wednesday, June 4. The work is scheduled for one night and is not expected to generate significant noise or dust.

### **Thank you for your patience!**
