

# KENNEDY CROSSING

## April 10, 2025 Public Meeting Summary

**45+**  
In person  
Attendees

**8100+**  
Mailed  
postcards

**140+**  
E-updates  
Subscribers

### Most Discussed Themes

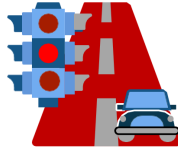

#### Connectivity

Need for pedestrian trails to access the Scarborough GO Station and Kennedy TTC Station. Need for bike lanes, as well as access to walkable restaurant and retail establishments.

#### Built Form/Housing

Concern over the number of storeys for proposed developments in the area. Need for housing near the existing Scarborough GO station and need for a variety of housing in the area.

#### Traffic

Concern over existing and future traffic issues. Need for higher bus frequency and more traffic lights on major roads.

#### Flooding

Concern over existing flooding issues and infrastructure in place.

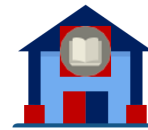

#### Employment

Need for replacement of employment opportunities and access to jobs in the area.

#### Parking

Concern over lack of parking resulting in parking overflow on neighbouring streets. Need for more parking, especially at the Scarborough GO Station, as well as parking maximums.

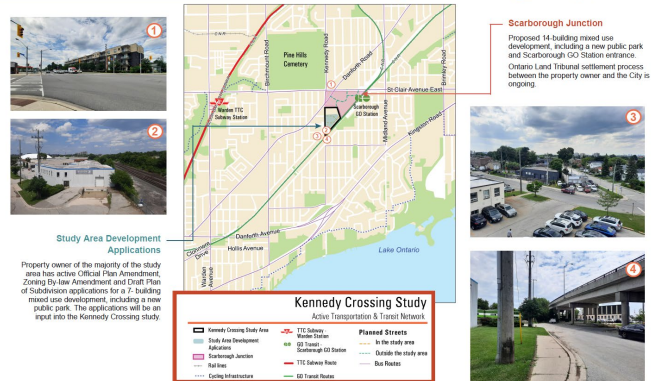

#### Community Services & Facilities

Need for community centres, senior services, daycare, medical centres, a dog off-leash area, a skate park, and more park land.

### Kennedy Crossing Local Context

#### Next Steps

- Completion of background studies
- **Fall 2025:** Target date for next public meeting.
