TEMPORARY ROAD CLOSURE Bennington Heights Drive

Contract: 22ECS-LU-01FP
Expected Start Date: May 8, 2025
Expected End Date: May 16, 2025
Timeline is approximate

Current construction on Bennington Heights Drive involves replacing the City owned portion of substandard water services and sanitary sewer laterals, which requires digging within the City's right-of-way in the boulevard.

Due to the construction work and to avoid safety concerns, a portion of Bennington Heights Drive will be closed periodically to vehicular and pedestrian through traffic. This closure will affect access to Bennington Heights Drive from the intersections of Heath Street East and Noel Avenue. Work will occur for several days between the hours of 7:00 a.m. to 7:00 p.m., Monday to Friday.

- Construction on Heath Street East and Bennington Heights is scheduled to occur in sequence within the period noted above. The contractor will make all efforts not to occupy more than one street at once, to mitigate traffic congestion and reduce impacts on the community.
- Residents living on Bennington Heights Drive will continue to have access to the road and their driveways during this time.

We apologize for any inconvenience that this closure may cause, and we thank you for your continued patience as we complete the work.

This project is part of the Council-approved 2022 Basement Flooding Protection Program to improve the water distribution system; renew our aging infrastructure and reduce the risk of sewer collapse or blockages that cause sewer backups and flooding.

MAP OF WORK AREA

- The community will experience dust, noise, and traffic delays.
- The city will make efforts to reduce impacts. Your patience is appreciated.

	Traffic Management: Road users should expect delays and increased traffic on nearby main and side streets. Motorists are reminded that bicycles and cars will be sharing the lane. When driving, please be mindful of vulnerable road users. Efforts have been made to manage traffic in the area for the safety of workers, road users and residents.
	Pedestrians: Pedestrian access to Bennington Heights Drive will be closed at the intersections of Heath Street East, and Noel Avenue.
	Work Hours: Work will take place from 7 a.m. to 7 p.m., Monday to Friday.

Accessible Accommodation: The City's contractor must ensure safe and accessible driveways are maintained for everyone during construction. Any temporary access disruptions will be communicated as soon as possible. If you experience a disruption, have a specific access need or related accommodation request, inform the contact listed below.

NEED MORE INFORMATION?

If you have questions about this construction project, please contact the Field Ambassador listed below.
