6-May-2024	Kathryn Brown (TRCA)	Rae Lumsdon, Aaron Detlor (HDI)	Teams invitation	Cancelled May 14, 2024, Teams meeting.

Date	Sent By	Contacted	Method	Summary
7-May-2024	Kathryn Brown (TRCA)	Rae Lumsdon, Aaron Detlor (HDI)	Email	Thanked Aaron Detlor for his email. Apologized for the oversight of using the word 'community'. That was a mistake and will not happen again. Will have a full response to both Aaraon Detlor and Rae Lumsdon shortly.

11-June-2024	Aaron Detlor (HDI)	Kathryn Brown (TRCA)	Email	Apology not accepted. Words are meaningless without action. TRCA has had years to work with HDI in good faith and this is more unwarranted delay.

28-June-2024	Aaron Detlor (HDI)	Kathryn Brown (TRCA)	Email	Indicated engagement is required by law and if TRCA and CoT did not budget for engagement HDI will not allow the project to proceed. CoT and TRCA are behaving 'colonially' in budgeting for their own staff but not treaty rights holders. Claimed process of engagement for this project is discriminatory. Rae Lumsdon will be in touch with dates and times when 'the decision to exclude the Haudenosaunee for the EA process can be explained to our Chiefs and Clanmothers'.
3-July-2024	Rae Lumsdon (HDI)	Kathryn Brown (TRCA)	Email	Follow up to Aaron Detlor's June 28, 2024 email. No response has been sent. Claimed project will significantly impair and infringe on treaty rights and interests. HCCC and HDI still interested in meeting to discuss how and when engagement will proceed on the project. Chiefs and Clanmothers meet each Wednesday in Six Nations.

6-July-2024	Kathryn Brown (TRCA)	Tracey General (HDI)	Email	Notice of Draft ToR.
6-July-2024	Aaron Detlor (HDI)	Kathryn Brown (TRCA)	Email	<p>Claimed direction had been given to send standard communications about the project to Aaron Detlor.</p> <p>Claimed project will significantly impair, infringe, and interfere with established treaty rights; does not accept the ToR; have requested engagement to proceed, which he claims requires funding to be meaningful; believes current engagement does not fulfill requirements; no indication that the current process is going to be used to uphold the honour of the Crown where there appears to be no delegation from with the federal or provincial Crown to your entity.</p> <p>HDI staff to set a meeting with TRCA to address the 'deficiencies of the process to date'.</p> <p>HDI staff to set a 'meeting with a responsible provincial and federal ministries to determine how and when actual engagement is going to take place'.</p> <p>Questions how TRCA can be a proponent. Has not seen documentation to support a partnership between TRCA and CoT on this project: 'We have no documents that would indicate what types of rules and responsibilities rest with TRCA versus the City of Toronto'.</p> <p>This email will be sent to the provincial minister.</p> <p>Advising they do not agree the ToR should be approved 'where there has been no engagement or contemplation of treaty rights.'</p> <p>Questioned role of Kathryn Brown as a Senior Archaeologist in this project.
