Lawrence Avenue Culvert Rehabilitation
over Adams Creek

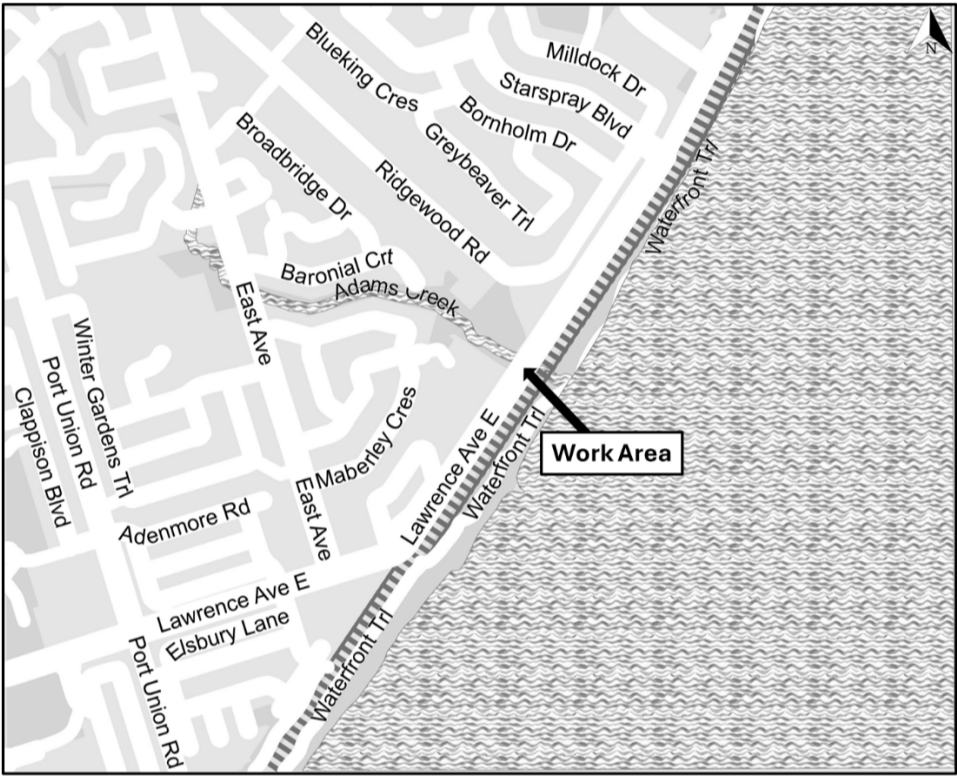

Contract: 25ECS-BE-10PM

Start Date: September 2025 End Date: January 2026

**Timeline is subject to change.*

The City of Toronto is planning to rehabilitate the Lawrence Avenue Culvert over Adams Creek. This work will ensure that the culvert meets today’s standards and remains safe for vehicles and pedestrians into the future. The project is part of the Council-approved 2025 Capital Works Program.

MAP OF WORK AREA

WHAT TO EXPECT BEFORE CONSTRUCTION

- Work crews will mark the locations of underground utilities, such as gas, water and cable so that the construction work does not interfere with these utilities.
- Affected properties will receive a Construction Notice approximately two weeks before work begins with more information about the work.

Accessible Accommodation: The City's contractor must ensure safe and accessible walkways and entryways are maintained for everyone during construction. Any temporary access disruptions will be communicated as soon as possible. If you experience a disruption, have a specific access need or related accommodation request, contact the **Field Ambassador** listed below.
