

Downsview West District

June 24, 2025 – Open House Summary

UPDATE >>>>
DOWNSVIEW

The City of Toronto and Canada Lands Company hosted an open house about the Downsview West District on the afternoon of June 24, 2025, at the Downsview Public Library. Unfortunately, the library closed early because of the extreme hot weather which became a health and safety concern.

There will be more community engagement opportunities for the Downsview West District in the future. **To provide feedback at any time, please contact Perry Korouyenis (Senior Planner), contact information is below.**

Community Feedback

Job Opportunities

- Create a variety of jobs from entry level to professional, especially for youth and newcomers

Parks & Recreation

- Create parks with a pool, splash pad, picnic areas, playgrounds, and space for multi-generational activities
- Provide a range of parks that have different feelings: playful, eventful, quiet, social, active, calm, green

Traffic

- Manage traffic across the site and during events

Opportunities for Artists

- Provide opportunities for artists such as public art, craft markets, networking, and studio space

Cultural Heritage

- Provide information that explains the history of the site
