Road Reconstruction, Sidewalk Installation, Storm Sewer Installation and Watermain Replacement on The Bridle Path from Bayview Avenue to Timberglade Court

Contract: 23ECS-RD-02LR

Expected Start Date: October 2024 | NEW End Date: August 2025

**Timeline is subject to change.*

This notice provides an update on the reconstruction of the road, installation of new sidewalk, installation of new storm sewer, replacement of the watermain, replacement of the City-owned portion of substandard water services on The Bridle Path from Bayview Avenue to Timberglade Court.

Once all road restoration work is complete on Timberglade Court our contractor will start the final pavement markings on The Bridle Path and Timberglade Court during the month of August. We anticipate that this project will be fully completed by the end of August.

MAP OF WORK AREA

- Completed all watermain work on The Bridle Path
- Replaced substandard water services on The Bridle Path
- Completed all storm sewer work on The Bridle Path
- Completed all road restoration on the Bridel Path

REMAINING WORK

Work crews will:

- Complete road restoration work on Timberglade Court
- Complete final pavement markings on The Bridle Path and Timberglade Court

WHAT TO EXPECT DURING CONSTRUCTION

- You may experience dust, noise and other inconveniences. The City will make efforts to reduce the impacts. We appreciate your patience.
- The City will not be responsible for damage to any privately owned items on City property.

Work Hours: Work will take place from 7 a.m. to 7 p.m., Monday to Friday, with work after hours and on weekends as required.

	Traffic Management: Road users should expect delays and increased traffic on nearby main and side streets. Motorists are reminded that bicycles and cars will be sharing the lane. When driving, please be mindful of vulnerable road users. Efforts have been made to manage traffic in the area for the safety of workers, road users and residents.
	Road and Sidewalk Access: To complete the work in a safe manner, there will be road and sidewalk restrictions within the construction work zone. Access for emergency vehicles will be maintained at all times. Driveway Access: The contractor will notify you of any temporary restrictions to your driveway access. If your property has two entrances, one entrance will be kept open at all times.
	Pedestrians: The work may require temporary sidewalk restrictions, however any necessary sidewalk closures will alternate in each direction to ensure pedestrian access is maintained during construction.
	Parking: This project will affect on-street parking. Parking in the active work zone is not permitted as space is needed for construction equipment and materials. If your parked vehicle affects construction work, it will be relocated with no charge to the owner. Please call 416-808-2222 for its location.
	Parking Violation Notice: <u>Please ensure you park in a legal parking spot at all times.</u> If parking enforcement is called to a street, officers must issue a yellow parking violation notice (ticket) to vehicles in violation of parking by-laws. If you receive a yellow notice during this construction work, please do one of the following within 15 days of the notice date to avoid additional fines or records being kept of non-payment: <ol style="list-style-type: none">1. Pay the parking violation (follow instructions on the back of the notice) or2. File a Parking Violation Dispute with the City online, by mail, or in person (follow instructions on the back of the notice). As part of the dispute process, you may include the construction notice and/or other documentation related to parking impacts resulting from construction. If you do not have a copy of the Construction Notice, please contact 311 to request a copy. Please note: Violation notices cannot be cancelled if vehicles are parked in illegal parking spots (e.g. in front of a fire hydrant or in No Parking zones). In an effort to reduce ticketing due to construction, please exercise patience with neighbours who are experiencing construction impacts and may need to temporarily park on your street.
	Accessible Accommodation: The City's contractor must ensure safe and accessible walkways and entryways are maintained for everyone during construction. Any temporary access disruptions will be communicated as soon as possible. If you experience a disruption, have a specific access need or related accommodation request, inform the contact listed below.
