Declaration

Per Toronto Municipal Code Chapter 395 Clothing Drop Boxes bylaw, I/we declare the following to be true in regards to the list of box(es) provided to Municipal Licensing and Standards:

1. That we are applying for a permit/permits to erect, display, locate or place clothing drop box(es) on the premises listed, where we have obtained permission by the property owner to do so.

2. If we are proposing a clothing drop box in a parking space, it is our responsibility to ensure the clothing drop box does not obstruct or is located within 1 meter of a parking space required by zoning or other applicable law. Please note, failure to ensure compliance with this requirement may result in enforcement actions including removal of the box.
