Infrastructure Improvements on Thompson Street from Carroll Street to Munro Street, Munro Street at Matilda Street, and Kintyre Avenue from Broadview Avenue to Peggy Ann Smith Lane

INTERSECTION CLOSURE AT MUNRO STREET & MATILDA STREET

Contract: 25ECS-RD-103LR

Start Date: Early September 2025 End Date: November 2025

**Timeline is subject to change*

This notice provides an update on Road closure from October 17, 2025, to October 22, 2025 inclusive of weekends due to construction works at the intersection at Munro Street and Matilda Street. The City of Toronto will complete Infrastructure Improvements on the above streets. Planned work includes:

- **Thompson Street** – Raised area for planting and cyclists on Thompson Street between Carroll Street and Munro Street and road reconstruction, curb radii reductions, and curb extensions at the Carroll Street and Munro Street intersections.
- **Munro Street** - Raised intersection, curb radii reductions, and curb extension at the intersection of Munro Street and Matilda Street.
- **Kintyre Avenue** - Road narrowing on Kintyre Avenue from Broadview Avenue to Peggy Ann Smith Lane to accommodate a wider sidewalk on the north side of the street.

MAP OF WORK AREA

WORK DETAILS

Thompson Street

The City's contractor will:

- Dig up the road surface
- Re-align maintenance holes and stormwater catch basins
- Repair curbs and gutters
- Install a new concrete road base and base asphalt

- Pave the road surface
- Intersection Improvements
- Restore driveways and other areas impacted by construction.

Munro Street

- Dig up the road surface
- Re-align maintenance holes and stormwater catch basins
- Repair curbs and gutters
- Raised Intersections

Kintyre Avenue

- Dig up the road surface
- Re-align maintenance holes and stormwater catch basins
- Repair curbs and gutters
- Replace with wider sidewalk

WHAT TO EXPECT DURING CONSTRUCTION

- You may experience dust, noise and other inconveniences. The City will make efforts to reduce the impacts. We appreciate your patience.
- The City will not be responsible for damage to any privately owned items on City property.

	Work Hours: Work will take place from 7 a.m. to 7 p.m., Monday to Friday, with work after hours and on weekends as required.
	Traffic Management: Road users should expect delays and increased traffic on nearby main and side streets. Motorists are reminded that bicycles and cars will be sharing the lane. When driving, please be mindful of vulnerable road users. Efforts have been made to manage traffic in the area for the safety of workers, road users and residents. • Local traffic restrictions are expected, and traffic control will be maintained with flag personnel. • Traffic within the project limits may be reduced to one lane during construction. • The Intersection at Munro street and Matilda Street will be closed from October 17, 2025 Monday to October 22, 2025 Wednesday inclusive weekend.
	Road and Sidewalk Access: To complete the work in a safe manner, there will be road and sidewalk restrictions within the construction work zone. Access for emergency vehicles will be maintained at all times. Driveway Access: The contractor will notify you of any temporary restrictions to your driveway access. If your property has two entrances, one entrance will be kept open at all times.
	Pedestrians: The work may require temporary sidewalk restrictions, however any necessary sidewalk closures will alternate in each direction to ensure pedestrian access is maintained during construction.
	People Cycling: Travel will be reduced to one shared lane in each direction for people cycling and driving through the work zone.
	Parking: This project will affect on-street parking. Parking in the active work zone is not permitted as space is needed for construction equipment and materials. If your parked vehicle affects construction work, it will be relocated with no charge to the owner. Please call 416-808-2222 for its location.

	Parking Violation Notice: <u>Please ensure you park in a legal parking spot at all times.</u> If parking enforcement is called to a street, officers must issue a yellow parking violation notice (ticket) to vehicles in violation of parking by-laws. If you receive a yellow notice during this construction work, please do one of the following within 15 days of the notice date to avoid additional fines or records being kept of non-payment: 1. Pay the parking violation (follow instructions on the back of the notice) or 2. File a Parking Violation Dispute with the City online, by mail, or in person (follow instructions on the back of the notice). As part of the dispute process, you may include the construction notice and/or other documentation related to parking impacts resulting from construction. If you do not have a copy of the Construction Notice, please contact 311 to request a copy. Please note: Violation notices cannot be cancelled if vehicles are parked in illegal parking spots (e.g. in front of a fire hydrant or in No Parking zones). In an effort to reduce ticketing due to construction, please exercise patience with neighbours who are experiencing construction impacts and may need to temporarily park on your street.
	Accessible Accommodation: The City's contractor must ensure safe and accessible walkways and entryways are maintained for everyone during construction. Any temporary access disruptions will be communicated as soon as possible. If you experience a disruption, have a specific access need or related accommodation request, inform the contact listed below.
