

November 4, 2025

TEMPORARY ROAD CLOSURES

Harbord Street Closed between Grace Street and Ossington Avenue

Contract: 24ECS-LU-08SU
Start Date: September 9, 2024
End Date: October 6, 2025 | Revised End Date: November 29, 2025
 *Timeline is subject to change. Paving work is weather-sensitive.

Paving work was originally scheduled for November 3 and November 4, 2025. However, due to rain, paving was cancelled on November 3. Therefore, paving will now take place between **Tuesday, November 4 to Friday, November 7, 2025** (weather dependent). Due to the nature of the work, rolling closures will be in place between these sections to accommodate the paving operation. Local traffic will be maintained; however, the use of alternate routes such as Bloor Street or College Street is recommended. Emergency vehicle access will always be maintained. Westbound traffic will open at the end of each day.

WORK DETAILS

The contractor will:

- Pave top asphalt on Harbord Street from Grace Street to Ossington Avenue.
- Pave base asphalt on remaining sections of the bike lanes on Harbord Street from Grace Street to Ossington Avenue.

| | |
|---|---|
|  | <p>Road and Sidewalk Access: To ensure the work is completed safely, road, sidewalk, and bikeway restrictions will be in effect within the work zone. Access for emergency vehicles will be maintained at all times.</p> <p>Driveway Access: The contractor will notify you of any temporary restrictions to your driveway access. If your property has two entrances, one entrance will be kept open at all times.</p> |
|  | <p>Parking: This project will affect on-street parking. Parking in the active work zone is not permitted as space is needed for construction equipment and materials. If your parked vehicle affects construction work, it will be relocated at no charge to the owner. Please call 416-808-2222 for its location.</p> |
|  | <p>Traffic Management: Road users should expect delays and increased traffic on nearby streets. Motorists are reminded that bicycles and cars will be sharing the lane. When driving, please be mindful of vulnerable road users.</p> <p>Access for local traffic will be maintained.</p> |

Accessible Accommodation: The City's contractor must ensure safe and accessible walkways and entryways are maintained for everyone during construction. Any temporary access disruptions will be communicated as soon as possible. If you experience a disruption, have a specific access need, or related accommodation request, contact the **Field Ambassador** listed below.

NEED MORE INFORMATION?

If you have questions about this construction project, please contact the staff listed below. If you need to speak with staff on the construction site, please ask for the Site Inspector.
