Road Resurfacing on Jones Avenue from Dundas Street East to Queen Street East

Contract: 25ECS-RD-03LR
 Start Date: Summer 2025 End Date: Fall 2025
**Timeline is subject to change.*

The City of Toronto is planning to resurface **Jones Avenue from Dundas Street East to Queen Street East**. Our inspection of the road shows that it needs repaving, and sections of damaged curb and sidewalk need to be replaced to bring them to a state of good repair.

Major works in this road project will include asphalt paving, repair of damaged/unsafe areas of curb and sidewalk, installation of raised bike/bus platform stops on Jones Avenue north of Queen Street East and south of Dundas Street East. Works will also include road base repair, intersection accessibility upgrades such as curb ramps and tactile walking indicators and pavement markings. This project is part of the Council-approved 2025 Capital Works Program to renew aging City roads and sidewalk for current and future needs.

MAP OF WORK AREA

• WHAT TO EXPECT BEFORE CONSTRUCTION

- Work crews will mark sidewalks and curbs requiring replacement and the locations of underground utilities, such as gas, water and cable so that the construction work does not interfere with these utilities.
- Affected properties will receive a Construction Notice approximately two weeks before work begins with more information about the work.
- The City will not be responsible for damage to any privately owned items on City property.

	Accessible Accommodation: The City's contractor must ensure safe and accessible walkways and entryways are maintained for everyone during construction. Any temporary access disruptions will be communicated as soon as possible. If you experience a disruption, have a specific access need or related accommodation request, contact the Local Roads Enquiries.
---	--

Important information for owners of sprinkler systems / heated driveways and private landscaping features. Property owners should remove items located within City property limits (boulevard) to avoid damage.

This includes items such as landscaping (plants and pavers), decorative objects, sprinkler systems or heated driveways. If you have a sprinkler system or heated driveway, please contact the Local Roads Enquiries [Local Roads Enquiries@toronto.ca](mailto:Local_Roads_Enquiries@toronto.ca).
