ROAD CLOSURE

Squires Avenue North of St. Clair Avenue East

Contract: 23ECS-LU-03FP
Expected Start Date: October 20, 2025
Expected End Date: November 1, 2025
*Content/dates subject to change

The City of Toronto is modifying and upgrading the storm and sanitary system in your area to reduce surface and basement flooding. Due to the depth and nature of the construction work, the road will be **closed at the intersection of St. Clair Avenue East and Squires Avenue effective from 7 a.m. on Monday, October 20, 2025, to 7 p.m. on Saturday, November 1, 2025, for construction.**

MAP OF WORK AREA

WORK DETAILS

The contractor will:

- Excavate on St. Clair Avenue East and Squires Avenue, north of St. Clair Avenue East, to install the storm sewer and restore the area.

- Traffic on St. Clair Avenue East will be maintained in both directions using the westbound curb lanes. There will be no access to Squires Avenue, north of St. Clair Avenue East. Please take the detour through Glenburn Avenue via Holmstead Avenue.

	Traffic Management: Road users should expect delays and increased traffic on nearby main and side streets. Motorists are reminded that bicycles and cars will be sharing the lane. When driving, please be mindful of vulnerable road users. Efforts have been made to manage traffic in the area for the safety of workers, road users, and residents.
	Pedestrians: The work will require temporary sidewalk restrictions. However, pedestrian detour access will always be available during construction.
	Work Hours: Work will take place from 7 a.m. to 7 p.m., Monday, October 20, 2025, to Saturday, November 1, 2025.
	Accessible Accommodation: The City's contractor must ensure safe and accessible walkways and entryways are maintained for everyone during construction. Any temporary access disruptions will be communicated as soon as possible. If you experience a disruption, have a specific access need or related accommodation request, inform the contact listed below.
