Collection

The property owner selects **bin** or **bag** collection.

It is the responsibility of the property owner to provide residents with sufficient containers for garbage, recycling and organic waste or buy sufficient City of Toronto Garbage Tags*, if only using bags for garbage.

Toronto By Reducing Your Waste!

Green Bin
Organics

- Do NOT put items in loose.
- You must line your kitchen catcher or outdoor Green Bin. Do not line both.
- Use any plastic or paper bag for either container. Compostable bags are not necessary.
- The handle of the bin must be set in the locked position.

Garbage
Collection

GARBAGE BIN

- All garbage must fit in a City-issued Garbage Bin with the lid closed.
- If you have excess garbage, you must put it in a regular black bag and affix a Garbage Tag*.

GARBAGE BAGS

- Each regular size garbage bag (66 cm x 91 cm) must be affixed with a Garbage Tag* that is visible.
- Each bag cannot weigh more than 20 kg (44 lb).
- Wrap sharp edges of broken glass with thick or multi-layered material (e.g., cardboard, fabric) before placing in the bag. If it doesn't fit in the bag, place it beside the bag.
- Do not put liquids in your garbage.

*Garbage Tags can be purchased at toronto.ca/solidwastestore. Tags never expire.

To order, exchange or request a repair for a **Garbage Bin** or **Green Bin**, visit: toronto.ca/311 or call 311.

For information on **yard waste** visit: toronto.ca/YardWaste.

Oversized Items

Items that will not fit in a garbage bag or your Garbage Bin, even when empty, are considered oversized (e.g. furniture, appliances, carpeting). Oversized items can be set out 0.5 m (2 ft) from your Garbage Bin or garbage bag on your collection day without a Garbage Tag* or an appointment.

Electronic Waste

Electronic waste can be left 0.5 m (2 ft) away from your waste bins/bags for pickup on collection day. Place large items (e.g. TV) on the ground and small items (e.g. phone) in a clear plastic bag or open cardboard box.

Household Hazardous Waste

Items such as batteries, cooking oil, medications, bleach, propane tanks and cylinders, syringes/needles, paint and fuel are considered household hazardous waste and will not be collected at the curb. For a complete list of household hazardous waste products and proper disposal options, visit toronto.ca/hhw.

Items not accepted at curbside or Drop-Off Depots

Dead animals, rocks, sand, gravel, bricks, concrete, cinder blocks, paving stones, asphalt, ammunition, asbestos, etc. **Contact a private company to arrange for proper disposal of these items.**
