Watermain Replacement on Eastern Avenue from Woodward Avenue to Rushbrooke Avenue; and Sanitary Sewer Replacement on Eastern Avenue from Leslie Street to 842 Eastern Avenue

Contract: 25ECS-LU-06SU
Start Date: October 14, 2025
End Date: July 31, 2026
**Timeline is subject to change.*

This notice provides an update on the watermain and the City-owned portion of substandard water services on Eastern Avenue from Woodward Avenue to Rushbrooke Avenue; and the sanitary sewer and sanitary service lateral pipes on Eastern Avenue from Leslie Street to 842 Eastern Avenue.

The contractor is completing water service installations and plans to pause work during the winter months, with the last day of construction work in the area to be on December 19, 2025. All traffic lanes will be reopened during this period. Construction activities are tentatively expected to resume in early February 2026, only within the section of Rushbrooke Avenue to Knox Avenue, weather permitting.

MAP OF WORK AREA

WORK STATUS TO DATE

To date the City's contractor has completed:

- Watermain installation for the entire project limit
- Substandard water services from Knox Avenue to Woodward Avenue
- Permanent trench restoration

REMAINING WORK

The City's contractor will complete:

- Installation of sanitary sewer and services
- Removal and installation of sidewalk
- Milling and paving
- Pavement markings

	<p>Work Hours: Work will take place from 7 a.m. to 7 p.m., Monday to Friday, with work after hours and on weekends as required.</p>
	<p>Road and Sidewalk Access: In order to complete the work in a safe manner, there will be road and sidewalk restrictions within the work zone. Access for emergency vehicles will be maintained at all times.</p> <p>Driveway Access: The contractor will notify you of any temporary restrictions to your driveway access. If your property has two entrances, one entrance will be kept open at all times.</p>
	<p>Traffic Management: Road users should expect delays and increased traffic on nearby main and side streets. Motorists are reminded that bicycles and cars will be sharing the lane. When driving, please be mindful of vulnerable road users.</p> <p>Traffic on Eastern Avenue will be reduced to one lane in each direction.</p>
	<p>Parking: This project will affect on-street parking. Parking in the active work zone is not permitted as space is needed for construction equipment and materials. If your parked vehicle affects construction work, it will be relocated with no charge to the owner. Please call 416-808-2222 for its location.</p>
	<p>Parking Violation Notices: <u>Please ensure you park in a legal parking spot at all times.</u> If parking enforcement is called to a street, officers must issue a yellow parking violation notice (ticket) to vehicles in violation of parking by-laws. If you receive a yellow notice during this construction work, please do one of the following within 15 days of the notice date in order to avoid additional fines or records being kept of non-payment:</p> <ol style="list-style-type: none"> 1. Pay the parking violation (follow instructions on the back of the notice) <u>or</u> 2. File a Parking Violation Dispute with the City online, by mail, or in person (follow instructions on the back of the notice). As part of the dispute process, you may include the construction notice and/or other documentation related to parking impacts resulting from construction. <p>If you do not have a copy of the Construction Notice, please contact 311 to request a copy.</p> <p>Please note: Violation notices cannot be cancelled if vehicles are parked in illegal parking spots (i.e. in front of a fire hydrant or in No Parking zones).</p> <p>In an effort to reduce ticketing due to construction, please exercise patience with neighbours who are experiencing construction impacts and may need to temporarily park on your street.</p>
	<p>Accessible Accommodation: The City's contractor must ensure safe and accessible walkways and entryways are maintained for everyone during construction. Any temporary access disruptions will be communicated as soon as possible. If you experience a disruption, have a specific access need or related accommodation request, contact the Field Ambassador listed below.</p>
	<p>Garbage and Recycling: Please follow your normal routine. If required, the contractor will move bins to an appropriate location and return them. <i>Please ensure that you label your bins with your address.</i></p>
	<p>Restoration: The construction work area will be restored with sod, concrete and/or asphalt where required. Interlocking bricks, flagstone on a granular base, or other similar features that are removed from public and private property during construction will be replaced. Lawn seeding and/or laying of sod will be done as needed during ideal growing seasons only - in the spring (April to June) and fall (September to October).</p>
