

Construction Update: December 19, 2025

## Gardiner Expressway Strategic Rehabilitation: Section 3 Early Works on Five Bridges | Community Update

Thank you for subscribing to the Gardiner Expressway Rehabilitation, Section 3 Early Works on Five Bridges, community update e-newsletter.

### Mimico Creek Overpass Demolition Overnight Work

Demolition work is currently underway at Mimico Creek. This work involves removing portions of the bridge and includes activities such as saw cutting, jackhammering and use of heavy lifting equipment.

Due to the environmentally sensitive creek area and confined work space, construction activities in this area, including demolition, are permitted 24 hours a day, 7 days a week and will occur around the clock.

Noise monitoring is in place. We recognize the impacts of this work and appreciate your patience. Demolition work in this area is expected to be completed by January 9.

### Upcoming Work Schedule and Holiday Hours

- **Until December 23:** Overnight demolition work will continue
- **December 24 daytime:** Daytime work only
- **Evening of December 24 to December 28:** No construction work
- **December 29 to December 31:** Overnight work resumes
- **January 1 to January 4:** No construction work
- **Week of January 5:** Overnight work resumes and is expected to continue through the remainder of the week, and be completed by January 9.

Project updates will be provided via email as the work progresses. **To receive these updates, subscribe to the project newsletter at: [toronto.ca/gardiners3](https://toronto.ca/gardiners3)**

Thank you for your patience!

We appreciate your patience and understanding as we work towards a safer and more efficient Gardiner Expressway.
