**Appendix D**

**Infrastructure Crossing Information**

---

| Creek       | Crossing number | Sewer Type | Asset ID  | MH U/S       | MH D/S       | Size (mm) | Material | Invert | Obvert | Constructi on year | Discrepancy          | Engineering Drawing available |
|-------------|-----------------|------------|-----------|--------------|--------------|-----------|----------|--------|--------|--------------------|----------------------|-------------------------------|
| Newtonbrook | 1               | Sanitary   | SL4033032 | MH4856914969 | MH4851315069 | 675       | Concrete | 131.39 | 125.8  | 1960               | None observed        | Not Available                 |
| Newtonbrook | 2               | Sanitary   | SL4033582 | MH4854614903 | MH4856914969 | 675       | Concrete | 132.3  | 131.39 | 1960               | Exposed in DCAD only | Not Available                 |
| Newtonbrook | 3               | Sanitary   | SL4032406 | MH4854014733 | MH4854314821 | 675       | Concrete | 134.64 | 133.52 | 1960               | Exposed in DCAD only | Available                     |
| Newtonbrook | 4               | Sanitary   | SL4032404 | MH4849914565 | MH4853514711 | 675       | Concrete | 137.06 | 135.16 | 1960               | None observed        | Available                     |
| Newtonbrook | 5               | Sanitary   | SL4031857 | MH4906413756 | MH4903113889 | 675       | Concrete | 151.75 | 149.74 | 1960               | None observed        | Available                     |
| Newtonbrook | 6,7             | Sanitary   | SL4031887 | MH4915013638 | MH4906413756 | 675       | Concrete | 151.75 | 153.74 | 1960               | None observed        | Available                     |
| Newtonbrook | 8               | Sanitary   | SL4033483 | MH4924913415 | MH4918613545 | 675       | Concrete | 156.97 | 155.12 | 1960               | None observed        | Not Available                 |
| Newtonbrook | 9               | Sanitary   | SL4031889 | MH4927513370 | MH4924913415 | 675       | Concrete | 157.75 | 157    | 1960               | None observed        | Not Available                 |
| Newtonbrook | 10              | Watermain  | LN24062   | N/A          | CH4006045    | 1350      | Steel    | N/A    | N/A    | 1971               | None observed        | Available                     |
| Newtonbrook | 11              | Sanitary   | SL4031891 | MH4945713111 | MH4940713229 | 675       | Concrete | 162.31 | 160.52 | 1960               | None observed        | Not Available                 |
| Newtonbrook | 12              | Sanitary   | SL4034029 | MH4950912938 | MH4948513028 | 675       | Concrete | 164.75 | 163.5  | 1960               | None observed        | Available                     |
| Newtonbrook | 13              | Sanitary   | SL4032523 | MH4951913027 | MH4950813002 | 250       | PVC      | 165.15 | 164.99 | 1987               | Exposed in DCAD only | Not Available                 |
| Newtonbrook | 14              | Sanitary   | SL4032971 | MH4946812859 | MH4950912938 | 675       | Concrete | 166.03 | 164.75 | 1960               | None observed        | Not Available                 |
| Newtonbrook | 15              | Sanitary   | SL4034103 | MH4937512696 | MH4941812791 | 750       | Concrete | 168.61 | 167.11 | 1960               | None observed        | Not Available                 |
| Newtonbrook | 16              | Sanitary   | SL4032961 | MH4936712692 | MH4937812731 | 675       | Concrete | 171.19 | 170.63 | 1989               | None observed        | Not Available                 |
| Newtonbrook | 17              | Sanitary   | SL4031698 | MH4929012529 | MH4931812532 | 450       | Concrete | 173.01 | 172.69 | 1989               | None observed        | Not Available                 |
| Blue Ridge  | 18              | Sanitary   | SL4030369 | MH4825114957 | MH4829414992 | 300       | Asbestos | 134.12 | 133.58 | 1955               | None observed        | Available                     |
| Blue Ridge  | 19              | Sanitary   | SL4029711 | MH4807314836 | MH4808814871 | 300       | Asbestos | 144.8  | 143.68 | 1977               | Exposed in DCAD only | Available                     |
