## Road Closure Lily Cup Avenue at Danforth Road

**Contract 23ECS-LU-08FP**

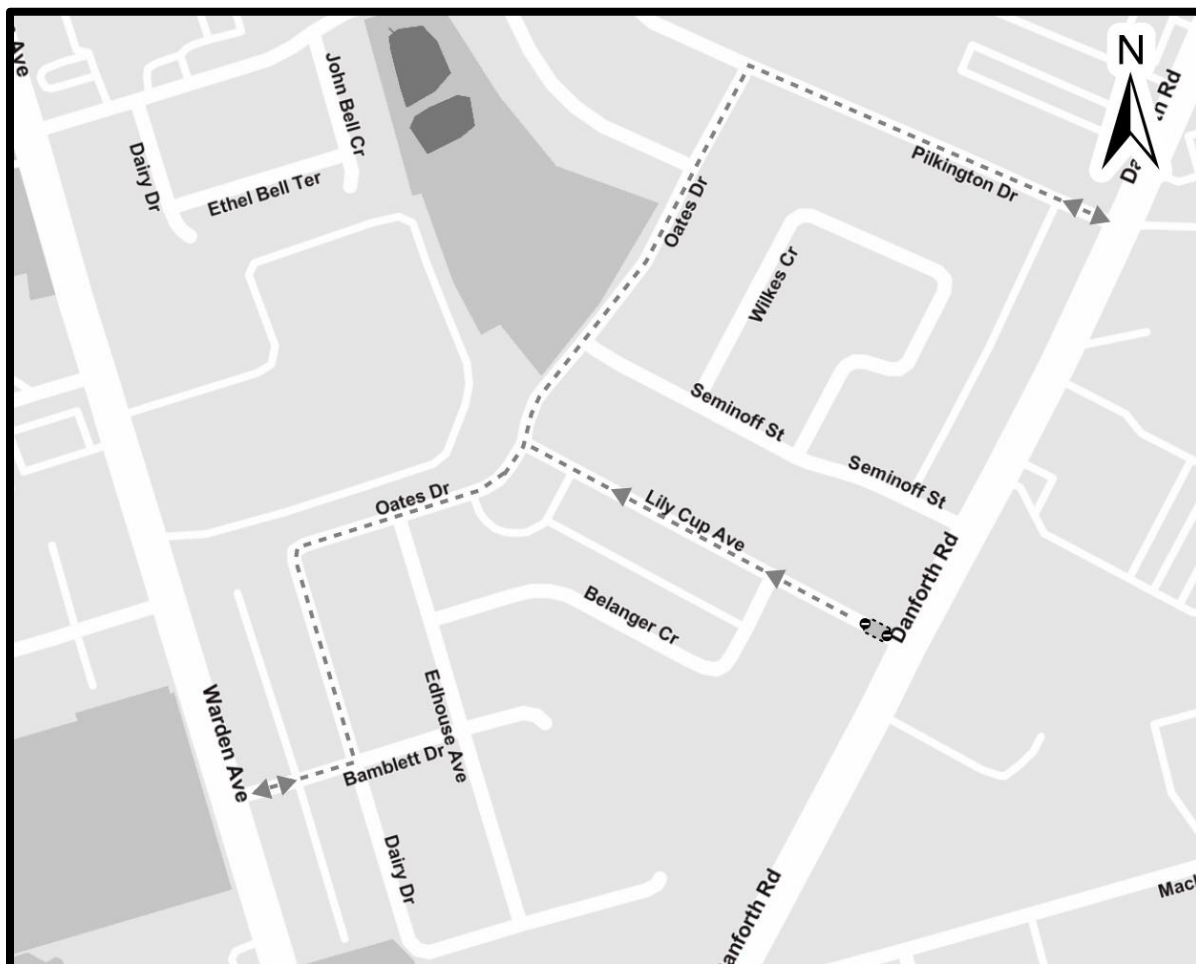

**Start Date:** January 15, 2026

**Expected End Date:** February 6, 2026

\*Content/dates subject to change

The City of Toronto is modifying and upgrading the storm sewer and related system in your area to reduce surface and basement flooding. Due to unforeseeable events, Lily Cup Avenue will continue to be closed at Danforth Road until Friday, February 6, 2026, for construction purposes.

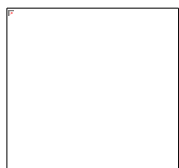

### MAP OF WORK AREA

## WORK DETAILS

- Excavate the road at the intersection of Lily Cup Avenue and Danforth Road for the storm sewer system upgrade. Work will also include the storm sewer connection into the existing sewer network on Danforth Road.
- Restore the road and all areas affected by construction.

	<p><b>Traffic Management:</b> Road users should expect delays and increased traffic on nearby main and side streets. Motorists are reminded that bicycles and cars will be sharing the lane. When driving, please be mindful of vulnerable road users. Efforts have been made to manage traffic in the area for the safety of workers, road users, and residents.</p> <p><b>Traffic Detour:</b></p> <ul style="list-style-type: none"> <li>• Lily Cup Avenue will be closed at Danforth Road fully to all through traffic. Traffic on Danforth Road will be maintained one lane in each direction.</li> <li>• Traffic on Lily Cup Avenue can exit and enter via Pilkington Drive to the east, to/from Danforth Road.</li> <li>• Traffic can exit and enter via Bamblett Drive to the west, to/from Warden Avenue</li> <li>• During the road closure, residents will have access to their driveways except when construction is occurring in front of their property. Driveway Impact Notices will be distributed on an ongoing basis as necessary.</li> <li>• When driveway access is not available, please park in a legal spot on a local side street and display the Driveway Impact Notice in your windshield.</li> </ul>
	<p><b>Pedestrians:</b> The work will require temporary sidewalk restrictions. However, pedestrian detour access will always be available during construction.</p>
	<p><b>Work Hours:</b> Work will take place from 7 a.m. to 7 p.m., Thursday, January 15, 2026, to Friday, February 6, 2026.</p>
	<p><b>Accessible Accommodation:</b> The City's contractor must ensure safe and accessible walkways and entryways are maintained for everyone during construction. Any temporary access disruptions will be communicated as soon as possible. If you experience a disruption, have a specific access need or related accommodation request, inform the contact listed below.</p>

**Parking Violation Notices:** Please ensure you always park in a legal parking spot. If parking enforcement is called to a street, officers must issue a yellow parking violation notice (ticket) to vehicles in violation of parking by-laws. If you receive a yellow notice during this construction work, please do one of the following within 15 days of the notice date to avoid additional fines or records being kept of non-payment:

1. Pay the parking violation (follow instructions on the back of the notice) **or**
2. File a Parking Violation Dispute with the City online, by mail, or in person (follow instructions on the back of the notice). As part of the dispute process, you may include the construction notice and/or other documentation related to parking impacts resulting from construction.

If you do not have a copy of the Construction Notice, please contact Field Ambassador to request a copy.

**Please note:** Violation notices cannot be cancelled if vehicles are parked in illegal parking spots (i.e., in front of a fire hydrant or in No Parking zones).

To reduce ticketing due to construction, please exercise patience with neighbours who are experiencing construction impacts and may need to temporarily park on your street.

## NEED MORE INFORMATION?

If you have questions about this construction project, please contact staff listed below. If you need to speak with staff on the construction site – please ask for the site inspector.
