Watermain Replacement on Clinton Street from Bloor Street West to College Street

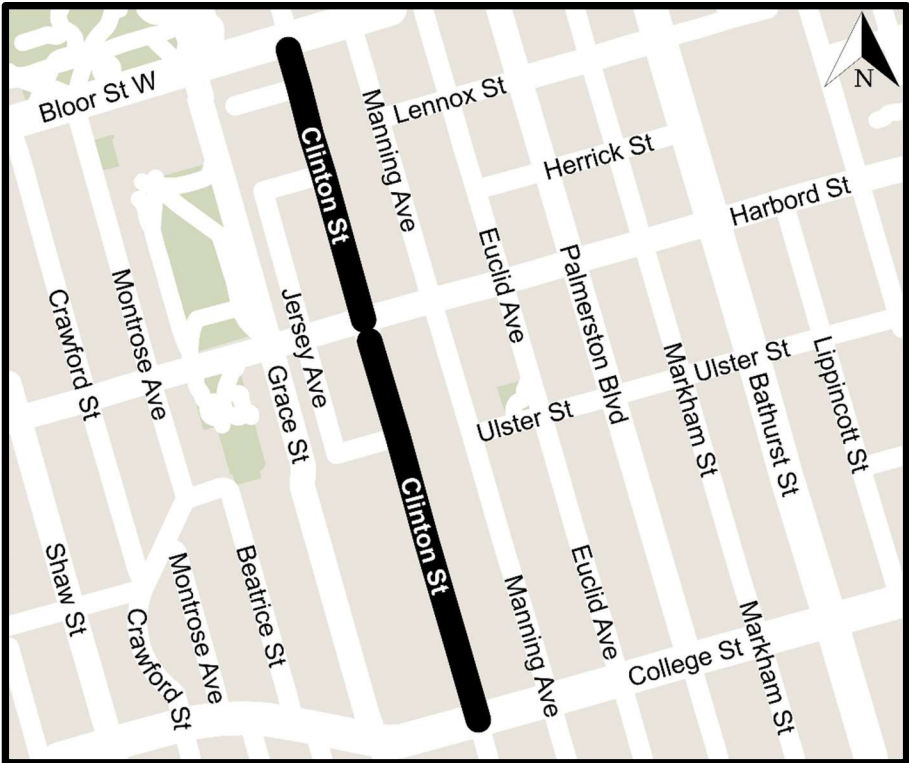

Contract: 25ECS-LU-02SU
Start Date: July 14, 2025 End Date: May 2026
**Timeline is subject to change.*

The City of Toronto’s work to replace the watermain and the City-owned portion of substandard water services on Clinton Street is almost complete. Permanent road reconstruction and restoration on Clinton Street will start in Spring 2026.

Once weather conditions are favourable, the contractor will return in Spring 2026 to complete remaining work. A construction update notice will be issued before work re-starts.

If you have any concerns regarding the condition of the temporary restoration during winter break, please contact the Field Ambassador listed below.

MAP OF WORK AREA

WORK STATUS TO DATE:

- The City’s contractor has:
- Completed the new watermain installation;
 - Transferred water services to the new main;
 - Replaced any water service pipes that did not meet City standards from the watermain to the private property line; and
 - Temporarily restored areas affected by watermain and water service installation from College Street to Harbord Street.

REMAINING WORK:

- The City’s contractor will:
- Return in Spring 2026 to complete permanent restorations from College Street to Harbord Street; and
 - Milling and paving.
