Gardiner Expressway Strategic Rehabilitation: Section 3 Early Works on Five Bridges

| Community Update

Thank you for subscribing to the Gardiner Expressway Rehabilitation, Section 3 Early Works on Five Bridges, community update e-newsletter.

**Mimico Creek Overpass Demolition Overnight Work**  
**January 7 - 9, 2026**

To accommodate ongoing demolition work, two eastbound lanes on the Gardiner Expressway will be closed nightly from west of Royal York Road to the Lake Shore ramp from 11 p.m. to 5 a.m. on Wednesday, January 7 to Friday, January 9.

This work involves removing portions of the bridge and includes activities such as saw cutting, jackhammering and use of heavy lifting equipment.

Due to the environmentally sensitive creek area and confined work space, construction activities in this area, including demolition, are permitted 24 hours a day, 7 days a week and will occur around the clock.

Noise monitoring is in place. We recognize the impacts of this work and appreciate your patience.

**Gardiner Expressway Lakeshore Eastbound Off-Ramp Overnight Closure – January 8, 2026**

On Thursday, January 8 from 2 a.m. to 5 a.m. (weather permitting), Lakeshore eastbound off-ramp will be closed for line painting. If weather conditions are not favourable, the line painting may be moved. An update will be provided.

Project updates will be provided via email as the work progresses. **To receive these updates, subscribe to the project newsletter at: [toronto.ca/gardiners3](http://toronto.ca/gardiners3)**

**Thank you for your patience!**

We appreciate your patience and understanding as we work towards a safer and more efficient Gardiner Expressway.

**Please share this email**

To ensure widespread awareness, please share this email with your neighbours and encourage them to sign up for updates to stay informed with the latest information.
