1. Pay the parking violation (follow instructions on the back of the notice) **or**
2. File a Parking Violation Dispute with the City online, by mail, or in person (follow instructions on the back of the notice). As part of the dispute process, you may include the construction notice and/or other documentation related to parking impacts resulting from construction.

If you do not have a copy of the Construction Notice, please contact 311 to request a copy.
